Sir,

(through the Accountant-General)

S i r,

I have the honour to request you will be so good as to obtain the sanction of Government for the employment of a temporary gymnastic instructor on Rs 15 per mensem in the Government Training School, Russelkonda, with effect from 1st March 1911 until the scheme for the reorganization of Training schools is sanctioned.

2. At present the gymnastic instructor of the Board school, Russelkonda, gives instruction for five hours a week to the students of the Training and Model sections there and for his services a contri-

bution

contribution of Rs 5 per mensem has been paid to the Taluk Board, Gumsur, under G. O. No. 611, Educational, dated 8th October 1904. This Gymnastic Instructor now states that his work has since considerably increased owing to the increased strength of the Training and Practising sections and that the allowance paid to him is disproportionate to his work and requests that it may be raised to Rs 10 per mensem. Both the Inspector of European and Training Schools and the Inspector of Schools, First Circle, in recommending the increase have observed that the instruction now given for an hour daily is insufficient. I consider that the present make-shift arrangement is not altogether satisfactory and beg to recommend that a full-time Gymnastic Instructor be appointed for the school and that his pay be fixed at Rs 15 per mensem in view of the backwardness of the locality. I may add that in the scheme for the reorganization of Training schools under the consideration of Government, it is proposed to have a Training school of the Lower Elementary grade at Russelkonda for which grade of schools the employment of a Gymnastic Instructor on Rs 15 per mensem has been already approved by Government.

3. I beg to submit herewith the necessary proposition statement and to state that a reappropriation statement shewing how the extra charge amounting to Rs 10 per mensem can be met during the ensuing year will be submitted on receipt of the Civil Budget Estimate for that year.

I have the honour to be,
Sir,
Your most obedient servant,

G. Krishnaswami

NOTES.

C. No. 570 From the S. P. I. No. 836/11 dated 28-2-1911.

SUBJECT. Employment of a gymnastic instructor on Rs 15 p.m. in the Govt Training School, Russelkonda.

The Director of Public Instruction requests sanction to the employment of a gymnastic instructor on Rs 15 p.m. in the Govt Training School, Russelkonda, with effect from 1st march 1911, until the scheme for the reorganization of training schools is sanctioned.

2. The training school at Russelkonda is of the primary grade. Under the scheme for the reorganization of training schools which is now under the consideration of Govt it will be ^{transformed into a} ~~formed~~ "lower elementary training school." The existing scale of the establishment for the Russelkonda school is given on pages 11 and 17 of G.O. 519 E.D. 8th August 1907. The school ^{at present} has no gymnastic instructor on its staff. But instruction in gymnastics is now given to the students of the school by the gymnastic instructor of the Board School, Russelkonda, for five hours a week, and for his services the Govt pay a contribution of Rs 5 p.m. to the Taluk Board of Gymnastics.

The gymnastic instructor of the Board school now applies for an increase of his allowance to Rs 10 p.m. on the ground of a considerable increase of his work in the training school. Both the Inspector of European and Training Schools and the Inspector of Schools, I circle, recommend

recommend the increase but observe that the instruction now given for an hour daily is insufficient. The Hon'ble Mr. Stone considers that the present make-shift arrangement is not altogether satisfactory and ~~on that ground~~ ^{the employment of} proposes a full time instructor on Rs 15 p.m. for the school.

3. The arrangement under which the gymnastic instructor of the Board School was required to devote a part of his time^② to the teaching of the students of the training school was for the first time sanctioned in Gono 49 Ed. 26th Jan. 1898. The number of students admitted into the training school in those days was small and it was therefore thought unnecessary to employ a separate instructor for the school. In the G.O. quoted above the contribution to the Taluk Board on account of the gymnastic instructor was fixed at Rs 2 p.m. This arrangement was revised in 1904. The instructor was required to devote at least 5 hours a week in the training school and his allowance was increased to Rs 5 p.m. - Gono 611 Ed. 8th October 1904. The number of students under training in the Russell Road School for 1903-4 and for the last three years was as follows: -

1903-04 - 17	1908-09 - 48
1907-08 - 58	1909-10 - 50

4. The scheme for the reorganization of training schools for masters referred to in para. 2 ante. provides for a lower elementary training school at Russeldonda. For this grade of schools Dr. Browne proposed (page 5 of Gono. 155 Ed. 15-3-09) a gymnastic instructor on Rs 15 per m. and his proposal was generally approved by Govt. That scheme will be finally sanctioned before long and the training school at Russeldonda will get an instructor on Rs 15 per m. It will also be observed that ~~the~~ ^{Situated} training schools similarly to that of Russeldonda School have each a gymnastic instructor on Rs 10-1-15 ^(at present) per m. The present proposal practically amounts to the employment of ^{a gymnastic} instructor in the school in anticipation of sanction to the scheme for the reorganization of training schools for masters which ~~is now to be~~ ^{will probably be} accorded before long. Submitted that it may be approved. The additional cost involved is Rs. 120 (Rs 180 of Rs 60 contribution) per annum.
