It is not clear what the Administrator means by "publications relating to higher and technical education". The report on public instruction contains

the information required by the Administrator regarding higher and technical education. The Superintendent, Govt Press, may be requested to furnish the Administrator of Uruguay (annually) with a copy of the report.

2. The Madras University Calendar is not a Govt publication. The Copies purchased by Govt are paid for. Perhaps the University maybe requested to state whether they will furnish the Uruguay Administrator with a Copy of the Calendar free of Cost.

3. A draft order to the S.G.P and a draft letter to the Regr, Madras University are submitted for approval.
