READ—the following papers:—

I

G.O., No. 584, Educational, dated 13th October 1910.

ABSTRACT.—Sanctioning a grant of Rs. 15,000 to the University of Madras for the purpose of meeting the charges connected with the inspection of colleges during the current year.

II

Letter—from F. DEWSBURY, Esq., B.A., LL.B., Registrar of the University of Madras.

To—the Secretary to Government, Educational Department.

Dated—Senate House, the 12th April 1911.

No.—1156.

I have the honour, by the direction of the Syndicate, to submit for the consideration of His Excellency the Governor in Council, in accordance with G.O., No. 584, Educational, dated 13th October 1910, a detailed account of the expenditure incurred in connection with the inspection of colleges affiliated to the University during the year 1910-11.

2. I am directed also to submit a statement of account of the Government Contribution fund, out of which are met the travelling expenses of Fellows of the University and the cost of inspection of colleges, and to request His Excellency the Governor in Council to make a further grant of Rs. 20,000 to the fund. The statement of account shows that up to 31st March 1911 the fund had already been overdrawn to the extent of Rs. 4,466-10-7. Since that date the University has incurred further liabilities in respect of the travelling expenses of Fellows and of inspections of colleges. At least two more meetings of the Senate other than the annual Convocation will be held during the current year, and local inquiries under section 21 (2) of the Indian Universities Act, 1904, will be necessary in connection with applications already received from various colleges for affiliation to the University. The Syndicate is of opinion that any less sum than Rs. 20,000, for which application is now made, will be insufficient to replace the amount already overdrawn from the Bank and to meet the necessary future expenditure during the current year.

3. The accounts of the Government Contribution fund will be submitted for audit with the other University accounts in the ordinary course.

ENCLOSURES.
