To

The Hon'ble Mr.A.G.Cardew, C.S.I.,
Secretary to the Government of Madras,
Revenue Department.

(Through the Under Secretary to Government)

Respected Sir,

With reference to the Sanitary Commissioner's letter No.1551/S, dated 24th April 1911, stating that I have been appointed as Manager of the King Institute, Guindy, on Rs.80-4 ~~xxxix~~ (biennial) 100 on probation for six months, I beg to submit that in G.O.No.262 Educational dated 30th May 1903 I was exempted permanently from passing the Upper Secondary Examination so long as I held the appointment of Cashkeeper in the Revenue Secretariat. I respectfully beg to request that the Secretary will be pleased to recommend me for an extension of this exemption to the new appointment now offered to me by the Sanitary Commissioner so that I may take it up.

2. As for my qualifications I beg to state that I have passed the following examinations:--

Book-keeping	(Intermediate grade)
Commercial Correspondence	do
Typewriting	do
Banking	(Elementary grade)
Mercantile Arithmetic	do
Hygiene	do

I served as a typist on Rs.60 p.m. with the Indian Irrigation Commission in 1902 and as an accountant on Rs.100 with the Factory Labour Commission in 1908. The satisfactory manner in which I discharged my duties on these occasions will be evident from the copies of testimonials enclosed. I may also mention that in appreciation of my services with the Factory Labour Commission, the Government of India were pleased to sanction a bonus of Rs.50.

3. I have been Cashkeeper in this office for over eight years and have put in a total service of more than 14 years. I venture to believe that I have given satisfaction to my superiors in the discharge of my duties all these years and that the want of examination qualifications did not prejudice in any manner the performance of my duties as accountant and clerk. I also beg to add that the exemption solicited in this case is only in respect of the compulsory portion of the Upper Secondary Examination as I have passed the Government Technical Examinations in three subjects in the Intermediate grade any two of which form the Optional portion of the examination.

I therefore beg to request that the Secretary will in consideration of my past good work and service be pleased to grant my prayer, for which act of kindness I shall ever feel grateful.

I beg to remain,

Respected Sir,

Your most obedient servant,

M. R. Rajan Singh
Cashkeeper, 28-4-1911.

Revenue Board Office, Land Revenue,
Madras, 26th March 1907.

M.R.Rajam Aiyangar served as cashkeeper under me for the three years during which I was in the Revenue Secretariat. He discharged his duties scrupulously and efficiently. He is eminently respectable, and I think suited for the post (160-10-200) for which I understand that he is now applying in Burma.

(Sd) F.B.Evans, I.C.S.,
Ag.Secretary, Board of Revenue.

M.R.Rajam Aiyangar has been with the Fractory Labour Commission as accountant (pay Rs.100) from the beginning of March till the 4th of June - when the Commission dissolved. During this time, he has done all his work to my satisfaction. Owing to the length of the tour, and the frequent changes of camp, this work was frequently performed under trying circumstances; but it was neither allowed to fall into arrears, nor were mistakes made.

Endorsement by the Under Secretary on an application for Cashier's post in the Harbour Trust Board on Rs.100.

Forwarded and recommended.

The applicant's work in this office has invariably been thoroughly satisfactory and he would in my opinion do well in the post for which he applies.

R.Rajam Aiyangar had been working under my immediate supervision as a typist in the Revenue Secretariat from January 1898 to January 1902. I found him to be extremely intelligent, reliable, quick and artistic in his work, with a high sense of duty devolved in him. Indeed I have never come across a better typist but have rarely met a more conscientious worker.

Submitted for orders. H.M.

M. Rajam Aringar was exempted from the Upper Secondary Examination so long as he held the post of Cashkeeper in this office — G.O. 262 Est. of 30.5.03. Now that he has been appointed manager, King Institute, Quindry on a salary of Rs 80 - 4 (biennial) - 100 he will have to be formally exempted again for the new appointment. It is submitted that although he did not complete the ^{compulsory portion of the} Upper Secondary Test, his standard of efficiency in the office has been uniformly good. His case for exemption may be forwarded to the Est. Dept. with support.

I think this may be supported.

His subsequent record shows that he has ~~got over the~~ been well enough educated

my

Yes. I think we may certainly support the request. The appointment in the King Institute is much like that of cashkeeper in that it leads to nothing further & yet requires a thoroughly reliable & capable man. Rajam Aringar is

all this & would suit the Institute as he would not be trying to get further promotion. To this end we may recommend that the exemption should apply, as in G.O. No 262 Ed. 2. 30 May 1903 only to the particular post.
