Colonial Secretary's Office,
Colombo.

Sir,

With reference to my letter of the 31st October 1910, I am directed by His Excellency the Governor to inform you that three students have been selected for training at the Madras Engineering College.

2. As there will be details to arrange with the authorities in Madras for the admission etc. of these candidates, this Government considers that it would be convenient if the Director of Public Instruction, Ceylon, could correspond direct with some official in Madras rather than that the correspondence should pass between this office and the Madras Government.

3. Should this suggestion meet with your approval I am to request you to be so good as to inform me with what official in Madras the Director of Public Instruction should correspond.

4. I am at the same time to ask that this Government may be informed on what precise date the next term of the Madras College begins.
