To

His Excellency The Right Honorable Sir Arthur Lawley,
K.C.M.G., G.C.I.C.,
Governor in Council,
Fort St. George,
Madras.

The Deputy Collector

Head Quarter Division,

and

The Collector of Coimbatore,

The humble memorial of C.K.
Khadir Mohideen, permanent 1st. Class
Revenue Inspector and acting Head
Accountant, Coimbatore Taluk,

Most respectfully sheweth that :-

The memorialist has passed the marginally noted examinations and has put in a service of nearly 19 years in the Revenue Department during which period he has given entire satisfaction to his superiors. The various circumstances which stood in his way of passing higher examinations have been once brought to the notice of the benign Government in

1. Matriculation Examination.
2. Hand writing test.
3. Precis writing - Higher.
4. Translation Test Lower, Tamil.
5. Account Test Lower.
6. Revenue Test Lower.
7. Survey Training.

Pages 5 to 8 of G.O. No. 780 E dated 21-11-08

in his memorial dated 19-9-08.

The paucity of Mahamadans in the public offices of this District referred to in the above memorial holds good even now. Except the memorialist and another Muhamadan there is no other person in the District drawing pay between 50 to 100 rupees.

On a kind consideration of the merits of the memorialists' case the then Deputy Collector W.S. Marshall Esq., was pleased to support the memorialist and recommended him for the concession to appear for Criminal Higher and Lower and Revenue Higher. The Then Collector also supported the case of the memorialist. The benign Government were pleased in their Order G.O., No. 780 E dated 21-11-08 to permit the memorialist to appear for Criminal Judicial Test Lower Grade alone for two years limiting 1909-10. The memorialist applied for leave on 10-7-09 but the leave was refused as no substitute was available - vide Collector's Order D.Dis., 3146/Rev., of 09 dated 10th. September 1909 submitted herewith. Without the leave the memorialist was unable to prepare adequately for the examination especially as a Revenue Inspector of the heavy town firka

he

he had to go on circuit every day.

The memorialist was unable to appear for the examination in 1909 and thus deprived of one out of two years' concession granted to him,

In the year 1910 the memorialist was selected for special duty in respect of the Coimbatore Town Extension schemes Vide G.O., No. 643 M., dated 16th. April 1910 and the very onerous duties of the special work did not permit the memorialist to get up a thorough preparation.

The environments peculiar to a grown up Musalman public official and the various difficulties which he has to overcome in the discharge of his duties both to the Government and to his large dependants have been fully detailed in the memorial quoted above. Such embarrassments added to the special duties entrusted to the memorialist in 1910, did not give him that calmness of mind which is so essential to secure a pass in an examination. The prevalence of plague in the town in 1910, the consequent unsettled nature of life contributed to unsettle his mind so much so that he did not secure a pass in the examination held in 1910 despite the facts that the present collector

H.F.W.Gillman, Esq., was pleased to grant him leave from 15-7-10 and did his utmost to study well.

In view of the fact that examinations have recently been made very hard and also because of the serious difficulties which have to be surmounted by adults like the memorialist in finding sufficient time for seriously studying for an examination, the memorialist respectfully begs that he may be allowed to appear for the above examination till a pass is secured without limiting period. The memorialist is fully aware of the importance of the concession given to him, will not fail to avail himself of its benefits.

For which act of kindness and generosity the memorialist shall as in duty bound

Ever pray.

Khadir Mohideen was Revenue Inspector under me for about three months while I was in the Trade Division in 1904 - 05. He was very attentive to his duties and his work was both thorough and good. I know him from my school days and his conduct has always been excellent. But for the Criminal Judicial Test which is wanting in his case I should think he would prove a very efficient Sub Magistrate.
