C.No.1037, from the University of Madras, No.1367, dated 3--5-1911.

Subject.

Elementary Education Bill.

Please see G.O.No.188, Edl., dated 1st April 1911. The opinions on the Elementary Education Bill are due with Government on or before the 10th June 1911. The Syndicate of the University of Madras states that no meeting of the Senate will be held before the 10th June 1911 and that the opinion of the Senate on the Bill cannot therefore be obtained.

2. As it is desirable that the Government should have the opinion on the bill of such an important body as the University of Madras, it is for consideration whether the University may be requested to send in its opinion before the 1st July 1911. The reply to the Government of India is not due till the 1st August 1911.

The Syndicate may perhaps be asked in the first instance to state ^{when the next} whether a meeting of the Senate is likely to be held, ~~before the 1st July.~~

^{7.7.11} in the ordinary course and whether a special meeting cannot be called for ~~under Regn. 4 of the University Regns.~~

^{11.5.11} Secy
The time may be extended to the 20th July, as the High Court reopens on the 17th July & the several colleges reopen as follows -
Madras College - 3rd July
Presidency College } 10 July

What do you think is the earliest date
by which the Syndicate could conveniently
submit its views?

6/208
18-5-11

The first thing is to get a meeting of
the syndicate. In ordinary course it will
not meet till the 1st August. The next meetings
are usually summoned by the Vice Chancellor
though I find nothing in the Act or the regulations
giving him the power. In the absence of any
regulation I think I might ask the Registrar
to summon a meeting & I will do so for the
end of this month when I shall be in London &
probably also some other members of the syndicate.
We can then arrange for a second meeting soon
after the 10th July when nearly all the Congress
will have reopened and Government might
then get the Senate opinion by the 15th.
An earlier date might be fixed and the
official members directed to attend but the
attendance would certainly be poor.

I am assuming that Dr Wallis is still Vice
Chancellor. Please let me know if I am to
write to the Registrar.

the Syndicate. He says, I think, to have
the opinion of a full meeting, even
if it does mean delaying the report to
India.

I don't think this matter on the
delays. We must get our opinion
in to the part of India by the time from -
If the Syn. Secs. can report by 15th
July. will be good - if not we must
have to go into it.
