G.O., No. 209, Educational, dated 11th April 1911.

ABSTRACT.—Passing orders regarding the distribution of the allotment of Rs. 6.57 lakhs made by the Government of India for non-recurring expenditure on educational objects in the Madras presidency.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 3rd May 1911.

No.—Cur. 2946.

With reference to G.O., No. 209, Educational, dated 11th April 1911, I have the honour to submit the following proposals for the distribution of the grant of one lakh which has been sanctioned for the purpose of increasing the apparatus and appliances of secondary schools :—

(i) that the grant be not restricted to *aided* schools, but that it may be distributed among recognized schools under private management and also among local board and municipal schools;

(ii) that of local board and municipal schools, complete secondary schools be excluded from the benefit of this grant, as such schools are generally self-supporting or supported by Government or likely to be taken over by Government, whereas the incomplete schools are particularly in need of satisfactory equipment;

(iii) that lump allotments be at first fixed by the Director for each of the boys' and girls' circles, and Inspectors and Inspectresses be requested by him to furnish statements showing how they would distribute the amounts among the schools in their circles having regard to the special needs of each school; and

(iv) that, after a scrutiny of these statements, the amount of grant for each school be determined by the Director and the Correspondent authorized to draw it immediately on a bill countersigned by the Inspector or Inspectress of the circle, subject to the conditions that the objects upon which the money is to be spent are approved by the Inspector or Inspectress prior to actual expenditure of the amount and that the vouchers in support of the expenditure are submitted to the latter for scrutiny.

2. In the preliminary issue of the civil budget estimates for the current year a sum of Rs. 1,20,000 has been allotted for grants for furniture, apparatus, etc., for non-European schools under "22-G. Grants-in-Aid". Of this amount Rs. 50,000 is to be paid as grants to secondary schools for teaching special subjects under the scheme for the award of secondary school-leaving certificates and the amount is to be distributed among complete secondary schools as a free gift, *i.e.*, without insisting upon a proportionate contribution from the management. I beg to enquire whether the grant of Rs. 20,000 entered as item (1) in paragraph 2 of G.O., No. 209, Educational, dated 11th April 1911, may be looked upon as a grant to be utilized for the same purpose and in the same manner as in the case of the sum of Rs. 50,000 referred to above; in other words, whether the amount of the special grant may be taken to be Rs. 70,000 on the whole. I beg to recommend that this may be approved and that board and municipal schools may also be allowed to participate in the total grant of Rs. 70,000.

3. The favour of very early orders on this letter is requested, so as to enable me to issue the necessary final instructions to the Inspecting officers. In anticipation of the approval of Government of the proposals herein made, I am calling for lists of schools among which the grants may be suitably distributed.

Order—No. 308, Educational, dated 23rd May 1911.

The Government agree with the Director of Public Instruction and approve his proposals for the distribution of the grants of one lakh and twenty thousand rupees sanctioned for secondary schools in paragraph 2 of G.O., No. 209, Educational, dated 11th April 1911. These grants as well as the grant of Rs. 50,000 mentioned in paragraph 2 of the Director's letter will be regarded as outside the Grant-in-Aid Code and may be given without insisting upon a proportionate contribution from the management to whom it should be made clear that they are not recurring but special and on no account to be treated as precedents.

(True Extract.)

L. DAVIDSON,
Ag. Secretary to Government.

To the Director of Public Instruction.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 308, EDUCATIONAL, DATED
23RD MAY 1911

[SUBJECT.—*Proposals for the distribution of one lakh sanctioned for special grants to secondary schools.*]

Previous papers :

G.O., No. 810, Educational, dated 3rd December 1907.
" " 52, " " 30th January 1911.

From the Director of Public Instruction, dated 3rd May 1911, No. 2946.

The proposals made in paragraph 1 of the Director of Public Instruction's letter may be approved. In 1907 when the special assignment made by the Government of India for University education was distributed, grants were paid to the colleges under municipal management such as the Salem College, the Palghat College and the Brennen College, Tellicherry—*vide* G.O., No. 810, Educational, dated 3rd December 1907.

2. The sum of Rs. 50,000 referred to in paragraph 1 of the Director's letter has been allotted for making special grants to such secondary schools as are willing to provide for teaching special subjects of the secondary school leaving certificate scheme, such as manual training, typewriting, botany, practical mathematics, etc. Please see paragraph 134 (b) (3) of the revised financial statement for 1911-1912, page 43. This allotment was made in compliance with the request made by the Director of Public Instruction in his u.o. note of the 9th December 1910. Please see item No. 5 in statement A on page 5 of the budget notes regarding the utilization of provincial balances.

3. The sum of Rs. 20,000 referred to in paragraph 2 of the Director's letter has also been allotted in compliance with the request made by the Director of Public Instruction on the 20th January 1911. Please see clause (1) of the telegram to India No. 6, dated 25th January 1911, on page 2 of G.O., No. 52, Educational, dated 30th January 1911, and item No. (3) in the statement of non-recurring expenditure furnished by the Director of Public Instruction which is printed on page 2 of the notes with the above Government Order. The Director of Public Instruction therein stated that this sum of Rs. 20,000 was required for special grants to secondary schools in addition to that of Rs. 50,000 which was applied for in his u.o. note * of the 9th December 1910, and which he

* On page 5 of the budget notes regarding utilization of provincial balances. said was not quite adequate for the purpose. There is therefore no objection to utilizing the amount for making special grants to secondary schools for teaching special subjects under the scheme for the award of secondary school leaving certificates and the Director may be informed accordingly.

(This file was delayed for want of a copy of G.O., No. 209, Educational, dated 11th April 1911, with notes. A proof copy of the notes has now been obtained and the file is submitted.)

T. KANAKASUNDRAM PILLAI—17-5-11.

The Director of Public Instruction's proposals may be approved. Neither in regard to the Rs. 50,000 (Provincial) nor the subsequent grant of Rs. 20,000. (Imperial) was it ever asked or stated that the amount should be treated as a free gift to be assigned without insisting on contributions from managers in accordance with the Grant-in-aid Code? But as the Rs. 70,000 is a special supplement, it would, I submit, be generous and politic to waive the grant-in-aid conditions on the distinct understanding that this shall not constitute a precedent any more than the similar concession allowed in paragraph 3 of G.O., No. 209, Educational, dated 11th April 1911, with regard to the special subsidy of one lakh to secondary schools given by India.

L. DAVIDSON—19-5-11.

Yes. I agree. The grants mentioned by the Director of Public Instruction are outside the code and to be given with a warning that they are not recurring but special. I agree with his views and as to what he proposes to do.
