From
The Honorary Secretary,
Missionary Council on Aided Education, Madras.

To
The Chief Secretary to
The Government of Madras.

Sir,

I have the honour to forward to you the following Minute
passed by the Executive Committee of the Missionary Council on
Aided Education:-

"Read G.O.No.208 dated 11th April 1911:-

With regard to paragraph 2 the Executive Committee of the
Council note that the reply of the Government of Madras
makes no reference either to the question of policy raised
or to the express request of the Missionary Council, which
was "that for the purpose of calculating the amount of grant
for which Aided Colleges may be eligible, 15 per cent less
than the rate prescribed for 'other Colleges' maintained by
Government, should be taken as the standard rate."

With regard to paragraph 3 the Committee again note that the
reply of the Government makes no reference to the question
of policy and regret that the Government appear not to recog-
nize the injustice that may be inflicted on Colleges under private
management by the scheme of scholarships proposed. No assurance
has been given that if the scheme were brought into operation
Grants in Aid of private scholarships would be sanctioned."

I have the honour to be,

Sir,

Your most obedient servant,

Wm P. Stendish
Honorary Secretary

2. The question of policy in the matter of
school fees raised in the memorial of the
Missionary Council dated 11th November 1910 was
discussed in paragraphs 5 to 11 of the notes
with G.O.No.208, Edl., dated 11th April 1911
and the request of the Council that for the
purpose of calculating the amount of grant for
aided colleges, 15 per cent. less than the
rate prescribed for "other colleges" maintained
by Government should be taken as the standard
rate was considered in paragraphs 12 and 13 of
the notes above referred to. The question of
the institution of a scheme of scholarships in
the Presidency college was discussed in para-
graphs 14 to 20 of the above notes and the
question whether the system of aid to scholar-
ships granted in private institutions, which
was abolished in 1906, should be revived was con-
sidered in paragraph 19.

3. The reply to the Missionary Council
given in G.O.No.208, Edl., dated 11th April
1911 was advisedly made general as it was con-
sidered that arguments with the Council ~~point~~
~~by point~~ should be avoided. Please see the
Hon'ble Member's note on page 8 of the notes

H.M.

I cannot suppose the Missionary Council to be so dense as not to understand the effect of the G.O. & the intention of Govt. This current apparently seeks representation discussion which is just what Govt. wish to avoid. I understand.

Recorded with the remark that ~~the Govt. cannot agree to the calculation of grants to aided colleges as the Govt. are not prepared to comply with the request that grants to aided colleges should be based on the assumption that the fees chargeable there are 15 per cent less than the rate prescribed for Govt. colleges.~~
