NOTES CONNECTED WITH G.O., No. 319, EDUCATIONAL, DATED
26TH MAY 1911.

[SUBJECT.—*Statements relating to Indian Government scholars and State technical scholars.*]

From the Government of India, No. 315, dated 6th March 1911.

The statements received from the Government of India may be forwarded to the Director of Public Instruction and he may be requested to have them brought up to date and to furnish a similar statement in respect of domiciled Europeans and Eurasians who have been granted State scholarships.

2. None from this Presidency has been granted the State scholarship for the scientific study of Arabic and Sanskrit.

3. The draft below is for approval.

[Memorandum No. 515-1, Educational, dated 18th March 1911.]

From the Director of Public Instruction, R.C. No. 1922, dated 2nd May 1911.

The Director of Public Instruction returns the statements relating to Indian Government scholars and State technical scholars and states that he has brought them up to date. In the statement regarding Indian Government scholars the Director has not omitted the name of Mr. W. Hensman (No. 27 in the list) who died in April last, and in the statement relating to State technical scholars it is not stated how Mr. Dewal (No. 12 in the list) is now employed. The Director of Public Instruction has merely entered in the remarks column of the statement that Mr. Dewal's services have been dispensed with. This is correct so far as this Government is concerned, but it is for consideration whether the Director of Public Instruction may be asked to report how Mr. Dewal is at present employed.

2. In paragraph 2 of Memorandum No. 515-1, dated 18th March 1911, the Director of Public Instruction was requested to furnish a statement in respect of domiciled Europeans and Eurasians who have been granted State scholarships in this Presidency. He has not furnished this. One has, however, been prepared in this office and is added at the end of the current file.

T.K.—11-5-11.

K. RANGASWAMI AIYANGAR—11-5-11.

The Government of India want the statements as soon as possible. Hence they need not be delayed. But the names should be given in the case of Nos. 20, 28 and 38. Nair and Menon are not names.

2. Enquiry may be made as regards the present employment of Mr. Dewal and a supplemental report sent if necessary.

M. S. MASCARENHAS—11-5-11.

Full names of State technical scholars Nos. 20, 28 and 38 have been given.

2. Two drafts are submitted for approval—a letter to India forwarding the statements and an official memorandum to the Director of Public Instruction requesting him to report the present occupation of Mr. G. N. Dewal.

T.K.—12-5-11.

K. RANGASWAMI AIYANGAR—12-5-11.
