Letter—from E. D. Ross, Esq., Assistant Secretary to the Government of India,
Department of Education (Books).
To—the Secretary to the Government of Madras, Educational Department.
Dated—Calcutta, the 17th May 1911.
No.—1038.

I am directed to state that the catalogue of books and publications registered under Act XXV of 1867 in Madras during the fourth quarter of 1910 has not yet been received in this department and to request that it may be submitted at an early date. The Government of India consider it desirable that the quarterly catalogues should be prepared as soon as practicable after the termination of each quarter, so as to allow a sufficiency of time for the India Office and the British Museum to make their requisitions within the calendar year prescribed under section 9 (b) of Act XXV of 1867.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of
Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 23rd May 1911.
No.—Ref. on Cur. 3464.

With reference to your telegram of the 22nd instant, I have the honour to state that the catalogue of publications registered during the fourth quarter of 1910 has not yet been received from the Registrar of Books who has been reminded about it. It will be submitted to Government immediately on receipt with the Registrar's explanation of the delay.

III

Letter—from Rao Bahadur M. RANGACHARYA, M.A., Registrar of Books, Madras.
To—the Secretary to Government, Educational Department (through the Director
of Public Instruction, Madras).
Dated—the 24th May 1911.
No.—7304.

I have the honour to submit herewith the printed catalogue of books registered in the Madras Presidency during the quarter ending the 31st December 1910, with the following report on the catalogue.

2. The publications received and registered during the quarter are 896 in all, being less by only 30 than the figure of the previous quarter which terminated on the 30th September 1910. Of these, 590 are grouped as "books" and 306 as "periodicals".

3. Distributing the registered collection according to languages, English is represented by 266 works, including diglot publications, Tamil by 288, Telugu by 158, Malayalam by 33, Canarese by 91, Uriya by 10, Mahratti by 2, Hindustani by 14, Arabic by 21, and Sanskrit by 82, printed in Telugu, Grantha and Nāgari characters. Besides these, there has been published a book in Kuvi, printed in Telugu characters, the language spoken in the Agency tracts of the Vizagapatam district.

4. A little more than 11 per cent. of the total number registered consists of works designed for educational purposes.

5. The total number of copyright entries made during the quarter under report is 152, including the 13 works mentioned in the additional list appended to the accompanying catalogue.

6. In my letter No. 177, dated 25th January 1911, forwarding the catalogue of the publications registered during the third quarter of 1910, in explaining the delay in the publication thereof, I anticipated that there would necessarily be delay in preparing and publishing the catalogue for the fourth quarter also of the same year. It is only on the 8th of this month that the new men appointed to this office in accordance with G.O., No. 43, Educational, dated 24th January 1911, joined their duties; and I am not sure if they can, side by side with the discharge of current work, do also in time the duty of preparing the material for the catalogue of the first quarter of 1911, seeing that the publications registered therein have gone beyond the highest number recorded before. However, care will be taken to expedite this work and to publish the catalogue next due as early as possible.

Endt. R. C. No. 3464, dated 26th May 1911.

Submitted to Government in continuation of this office letter, R. C. No. 3464, dated 23rd May 1911.

2. No satisfactory explanation has been offered by the Registrar for inordinate delay in the submission of this report.

J. H. STONE,
Ag. Director of Public Instruction.

Order—No. 321, Educational, dated 27th May 1911.

Copies of the catalogue of books registered during the fourth quarter of 1910 will be transmitted to the Secretary of State for India and to the Government of India.

2. The delay in submission is much to be regretted. The Government of India have again laid special stress on the punctual preparation of the catalogues and the Director of Public Instruction is requested to see that the catalogue for the first quarter of 1911 is prepared and submitted so as to reach Government not later than the 15th June 1911, and also that all future catalogues are prepared within the prescribed time.

From the Government of India, No. 1083, dated 17th May 1911.

Under G.O., No. 328, Educational, dated 16th May 1893, the catalogue of books registered during each quarter has to be submitted to Government within two months of the close of the quarter to which it relates. The catalogue for the *fourth* quarter of 1910 should thus have been submitted to Government before the end of February 1911. On the other hand the catalogue for the *third* quarter of 1910, reached this office only on the 6th February 1911. In G.O., No. 337, Educational, dated 11th June 1910, the attention of the Director of Public Instruction was drawn to G.O., No. 328, Educational, dated 16th May 1893, and he was requested to see that the catalogues were submitted punctually within the prescribed date. Now that the office of the Registrar of Books has been re organized the Registrar has very little excuse in delaying the publication of the catalogues.

2. The following telegram may be despatched to the Director of Public Instruction:—

" Please submit immediately [the] catalogue [of] books [and] publications
" registered during [the] fourth quarter [of] 1910, and explain delay."

The explanation of the delay is given in paragraph 6 of the letter from the Registrar of Books. The delay is stated to be due to the fact that the additional clerks employed in accordance with G.O., No. 43, Educational, dated 24th January 1911, joined office only on the 8th of this month. The Registrar expresses doubts whether the catalogue for the first quarter of 1911 could be got out within the prescribed time, that is, before the end of May 1911.

2. Submitted that the Director of Public Instruction may be requested to see that the catalogue for the first quarter of 1911 is submitted to Government before the 15th of June 1911, at latest. Under G.O., No. 328, Educational, dated 16th May 1893, the catalogue for the first quarter of 1911 should reach Government before the end of May 1911, and the Government of India again lay stress on the punctual preparation of these catalogues.

3. A draft order is submitted for approval.
