STATEMENT OF THE OBJECT, AND AN APPEAL ON BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS CIVIL ORPHAN ASYLUMS were founded one hundred and four years ago for the gratuitous education, board and lodging of the orphans of Europeans and their descendants, who are not eligible for admission into the Military Asylums in the Presidency. They have thus stood the test of time, and continue to retain public confidence.

It is no easy task to feed, clothe and educate one hundred and eighty orphans. It is a still more difficult matter to successfully launch out in life these children, educated up to the Lower Secondary Standard, to make their way through the ever-increasing crowd of better educated competitors.

The necessity, character and scope of the work done in these Institutions are well known to the general public in Madras, and the help received is practically confined to the residents in this City. But all orphans throughout the Presidency are eligible for admission. This fact, it may be assumed, is generally known throughout the Mofussil, from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim *resulting from this fact*, upon persons residing in the Mofussil, for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

These Institutions are managed in an admirable manner by a particularly strong Directorate, who are elected by the subscribers.

The Bishop of the Diocese is the President, the Archdeacon is the Vice-President, and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. Though the religious instruction imparted here is in accordance with the tenets of the Church of England, destitute orphans of all denominations are admitted.

The Directors, therefore, earnestly request the *Clergy in the Presidency and Mofussil*, either to make regular periodical collections in their Churches on behalf of the Asylums, or else to circulate this appeal, together with the accompanying report, among the European and Eurasian residents at their stations, who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions which provide such efficient relief for the destitute and distressed members of their own community.

REPORT

OF THE

Madras Civil Orphan Asylums

AND

St. MARY'S CHURCH CHARITY SCHOOL

FOR 1910.

The Directors have the pleasure of placing before the subscribers and friends of these Institutions a brief report on their working during the year 1910.

The boys and girls continued to be taught together. For educational purposes they form one school, but as the management of each school is independent of the other, the report deals with each branch separately.

Health.

Details of admissions to Hospital, etc., will be found in the Medical Officer's Report (Appendix B).

Directorate.

The following changes occurred on the Directorate :—

Sir Henry King resigned his seat as Vice-President, on his departure to England, in November 1910.

Col. W. H. Lowry, I.A., a Government Director, resigned in May 1910, and Lieut.-Col. J. L. vanGeysel, I.M.S., was appointed in his place.

The Rev. H. E. M. Atkins was succeeded by the Rev. R. H. Welchman as Garrison Chaplain.

Messrs. J. R. Coombes, A. R. Anderson and E. A. Smith resigned on transfer out of Madras.

The Rev. H. C. Loasby, Mr. G. W. Black and Mr. S. D. Pears joined as interim Directors.

Mr. W. D. St. Leger, who had served as Honorary Secretary for several years, was, on proceeding to England on leave in October 1910, succeeded by Mr. E. V. Beeby.

The Directors record with deep regret the loss of Mrs. Rowland who was on the Directorate from 1872. The following resolution was passed at the Directors' Meeting on the 24th June 1910 :—

"The Members of the Directorate of the Madras Civil Orphan Asylums desire to place on record their deep regret at the death of Mrs. Rowland and to extend to the Members of her family their sympathy in the time of mourning. Mrs. Rowland for many years manifested an affectionate interest in the affairs of the Asylums, and the Directorate, Teachers, and children alike have suffered a great loss by her death."

Finance.

The year opened with a credit balance of Rs. 810. The receipts amounted to Rs. 38,706 and the expenditure to Rs. 39,193, leaving a balance at the close of the year of Rs. 323.

The average number of children maintained during the year was 191, and the cost per head per mensem, was Rs. 16-7-10, a slight decrease on the maintenance charges during 1909.

A comparative statement of the receipts and expenditure for the past three years is given below :—

Under the head of "Government Grants," the receipts for 1910 show a considerable decrease. This is due to the fact that the boarding grant was not paid to the Asylums before the close of the Calendar year.

The decrease in the cost of clothing from Rs. 2,355 in 1908 to Rs. 1,688 in 1909, and Rs. 1,033 in 1910, is largely the result of the great care taken by the Ladies' Committee in supervising the repair of clothing and in checking and revising the indents.

Extraordinary charges include a sum of Rs. 958 advanced to the Teachers' Retiring Fund, part of which has been repaid.

Teaching Staff.

The Directors regret that there were again a number of changes.

On the Boys' side, Mr. P. Bartlett, Head Master, left on the 20th May 1910, and was succeeded by Mr. J. T. Buckenham on the 25th July 1910.

Mr. Jordan continued to serve during the year, and was promoted to First Assistant Master in July 1910, in place of Mr. Delves, who left on the 20th May 1910.

Mr. W. A. Ritchie joined as Second Assistant Master on the 4th August 1910.

Sergeant R. Wilson continued as Gymnastic Instructor, and has proved himself very painstaking.

On the Girls' side, Miss C. Michael, who had worked for three years as Head Mistress, resigned at the end of January 1910, and was succeeded by Mrs. H. E. Knight.

The Directors in October 1910 abolished the appointment of Superintendent, which had been held by Mrs. Drinkwater for 3½

years. She was appointed at a time when the Head Mistress was very young, and it was felt that the presence of some one older to mother the girls was very necessary. Soon after Mrs. Knight's appointment the Directors resolved that there was no longer sufficient reason for a Superintendent in addition to the Head Mistress. Mrs. Drinkwater's services were, therefore, dispensed with, and the Directors placed on record their appreciation of the good work done by her during her $3\frac{1}{2}$ years' service at the Asylum. Mrs. Drinkwater was Sewing Mistress as well as Superintendent. After she left, it was hoped that the teaching of needlework could be done by other members of the staff, but on the Ladies' Committee reporting that this arrangement was unsatisfactory, the Directors recently engaged a special needlework mistress on Rs. 35 *per mensem*, under the general supervision of Mrs. Knight, who is herself a certificated Sewing-Mistress.

Miss L. Messinier joined on the 14th January 1910 and left on 30th June 1910.

Miss G. Geils joined on the 14th January 1910 and left on 30th June 1910.

Miss E. A. Coombes joined on the 14th January 1910.

Miss G. Messinier joined on the 1st February 1910.

Mrs. S. Cartwright joined on the 1st July 1910.

Miss G. McCarthy joined on the 1st October 1910.

Bandmaster Cummine left on the 30th October 1910.

Gardening.

Dewan Bahadur Venkataswami Naidu, the Sheriff of Madras, kindly sent a supply of flower-seeds. The plots of garden about the compounds are attended to by the children, and afford them much useful recreation and employment.

Visitors.

The Asylums were visited by several ladies and gentlemen during the year. Their Excellencies, Sir Arthur and Lady Lawley, made a special call to see the children swim, and expressed themselves as being much pleased with the progress made by them.

(By Order)

E. V. BEEBY,
Honorary Secretary.

APPENDIX A.

Garrison Chaplain's Report.

On 1st February 1910, I took over the school from the Rev. H. E. M. Atkins, and during the year, under review, we have had many changes.

Nine members of the Teaching Staff have left during the year, and it is always a difficult matter to fill the vacancies, owing to many reasons; but I hope that under the new scheme which is now in preparation, and which will include all or most of the Anglican and Protestant schools in India, we shall be able to secure greater benefits for our teachers, and also, I hope, a scheme of pensions for long service.

We have been fortunate in obtaining the services of two excellent heads, Mr. Buckenham for the Boys' and Mrs. Knight for the Girls' school, and under their rule both departments of the Asylum are thoroughly satisfactory in discipline and general work, and I believe we are now entering upon a period of great prosperity.

There is already a fund provided by the Directors and also subscribed to by the teachers themselves, from which teachers receive a gratuity on retiring.

The Teaching Staff is now complete.

I am glad to report that the boys are taking a greater interest in athletics and school sports, and have played a number of matches at Football and Hockey with clubs and other schools. They were successful in the first round at Football at the Anglo-Indian Sports, but were defeated in the succeeding round by the winners—Doveton College.

The Swimming Bath continues to be used and is greatly appreciated by both boys and girls, and arrangements are being made for every child in the School to be taught swimming.

The Cadets of the Civil Orphan Asylum still maintain their efficiency. In the Squad Drill Competition, held in November, the C. O. A. Team were awarded First Prize for Cadets, and were reported as being "especially good."

The Band will, I hope, now revive. A new Band Instructor has been appointed, and, under his direction, we ought, in a short time, to have an efficient School Band.

Mr. R. Littlehailes, M.A., Inspector of European and Training Schools, inspected the Asylums on the 6th and 7th December. His report has not yet been received.

As regards the moral and religious education, I am not satisfied. The visits of the Chaplain are necessarily short, and his other duties prevent him from giving anything like sufficient time to the welfare of the children. I hope that in the future some plan may be arranged for a resident Chaplain, who can give his whole time to the School. This, to my mind, is the only solution of the present many difficulties.

The following are the results of the Diocesan Prayer Book Examination, held on 25th November:—

INTERMEDIATE GRADE.			
Certificate of Merit	...	...	One
ELEMENTARY GRADE.			
Certificates of Merit	...	...	Five
Pass Certificates	...	...	Nine

Two girls are now studying with a view to becoming Certificated Teachers, and one boy for entrance into the Subordinate Medical Department.

I much hope that under improving educational methods, the future will shew more boys and girls qualifying themselves for higher education and more advantageous positions in life than has been the case of late years.

The Directors have assumed a School-badge and Motto in the hope that they may be of use to the pupils in giving them greater pride in their school and greater desire for its honour. The badge consists of the St. George's Cross between four lilies—the cross representing Fort St. George, Madras, and the lilies in memory of St. Mary's School. Correctly blazoned it is—"Azure, a cross gules, fimbriated argent, between four lilies, slipped of the third." The motto is 'Trust in God and do the right.' It is proposed to give the badge, as in public schools and colleges at Home, as a reward for merit in work and sports.

A Prayer Book has been prepared by me and sanctioned by the Lord Bishop for use in the Chapel, which, I believe, will prove a help to all the schools.

In conclusion, I desire to thank the Directors and the Ladies' Committee for their continued kindness and self-denying work in the interests and welfare of the schools.

R. H. WELCHMAN, M.A.,
Garrison Chaplain.

APPENDIX B.

Annual Medical Report of the Civil Orphan Asylums,
Madras, for the year 1910.

I.—GENERAL HEALTH.

There were 476 admissions into Hospital, against 329 in 1909, and 194 in 1908. The increase is mainly due to an epidemic of

mumps and measles in the early part of the year. General health fairly satisfactory. Of the admissions during the year 7 cases were sent to the General Hospital and 6 to the Ophthalmic Hospital, besides those sent to Kistnampet Isolation Hospital. The drainage and sanitary conditions of the surroundings of the Asylums leave much to be desired.

II.—DEATHS.

No deaths occurred during the year.

III.—DIET.

No changes under Diet were introduced.

IV.—CONSERVANCY AND BATHING.

The arrangements for bathing are satisfactory; the swimming bath is much appreciated and continues to give wholesome recreation to many of the bigger boys. Conservancy under the contract system continues to work well.

V.—EPIDEMICS.

Mumps and measles broke out in the early part of the year and continued to prevail in February and March. There were 103 cases of the former and 39 of the latter. The measles cases were sent to the Isolation Hospital at Kistnampet; those with mumps were treated locally in the sheds, temporary attendants being employed for the time.

VI.—HOSPITAL BUILDINGS.

Some repairs to the sheds and white-washing the main buildings were done. It is suggested by the Civil Apothecary in medical charge that iron bars be fixed to the windows in the ward verandahs, as the present wire-netting is easily damaged and does not prove a sufficient protection against possible accidents. I support his recommendation.

VII.—COST OF MEDICINES.

Rs. 130-10-4 against Rs. 96-6-0 in 1909.

VIII.—STAFF.

Major R. H. Elliot, I.M.S., has been in medical charge throughout the year. Civil Apothecary Dunlop, who was in sub-charge, was, on transfer, succeeded by Civil Apothecary Velloms on the 20th May 1910. Nurse Ignatius having been obliged to sever her connection with the Institution, resigned on the 24th May. Nurses Christian and Clarke temporarily filling the vacancy till the 16th November when Mrs. Willoughby, a qualified nurse, succeeded.

IX.—GENERAL REMARKS.

The whole of the mattresses and pillows have been overhauled and renovated.

All cases of a serious nature are, as a rule, sent to the General Hospital. The Directorate owes its thanks to the Medical Officers of that Institution for the ready help they have invariably rendered. The Chaplain, the Honorary Secretary, and many of the ladies have taken a kindly interest in the children, supplying the Hospital with pictures, cards and toys. The Hospital has been empty for 32 days in the year.

The transfer of Civil Apothecary Dunlop was a great loss to the Asylum, but his successor Civil Apothecary Velloms has worked excellently and very harmoniously with the other officials of the Institution.
