Letter— from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 12th May 1911.

No.—C. 3209.

In the preliminary issue of the Civil Budget Estimates for the current year the following lump provisions have been entered on account of furniture, apparatus, etc., for Government colleges :—

- (1) Rs. 23,000 under Arts Colleges.
- (2) Rs. 13,000 under Professional Colleges.

A further allotment of Rs. 22,000 has been sanctioned in G.O., No. 209, Educational, dated 11th April 1911, on account of "furniture, etc., for the Presidency and other Government Colleges". As this amount has not been included in the items of expenditure proposed by me in connection with the utilization of the special non-recurring grant of 3 lakhs, I have the honour to request you will be so good as to furnish me, as soon as possible, with details of the grant of Rs. 22,000 so as to enable me to take steps for the expenditure of the amount upon the objects contemplated by Government.

Order—No. 344, Educational, dated 2nd June 1911.

The Director of Public Instruction will be informed that the lump provision of Rs. 23,000 entered in the preliminary issue of the Civil Budget Estimate for the current year under "Arts Colleges" and the grant of Rs. 22,000 sanctioned in G.O., No. 209, Educational, dated 11th April 1911, are both intended for the same purpose, namely, the supply of apparatus and books for the Government colleges and schools. The latter amount (Rs. 22,000), which was specially sanctioned by the Government of India, should be utilized for that purpose, but the sum of Rs. 23,000 provided in the budget may, if necessary, be reappropriated for expenditure on other objects, subject to the approval of Government.

From the Director of Public Instruction, dated 12th May 1911, Cur. No. 3209.

The provision of Rs. 23,000 made under "Government Colleges—General" and the allotment of Rs. 22,000 sanctioned in G.O., No. 209, Educational, dated 11th April 1911, are for one and the same purpose, namely, for the purchase of furniture, apparatus and books for the Presidency and other Government Colleges. Double provision came to be made for this under the following circumstances.

2. In November last the Government decided to make an allotment of 25 lakhs from the provincial balances for non-recurring expenditure in 1911-1912. The Director of Public Instruction was accordingly requested to state whether he had in contemplation any objects of non-recurring expenditure on which the money could be usefully spent in 1911-1912. In reply the Director of Public Instruction furnished a statement of non-recurring expenditure amounting to Rs. 2,94,190—vide statement A on page 5 of the budget notes on the utilization of provincial balances.

3. The Financial department in the first instance thought that items 1 to 3* in the statement submitted by the Director of Public Instruction amounting to Rs. 35,500 were not suitable items of expenditure from the provincial balances and sent a copy of the notes on the subject to Educational for information. Subsequently, however, the Financial department reconsidered its previous decision and allotted funds for items 1 to 3 also. But it omitted to send the notes regarding the admission of items 1 to 3 to Educational for information.
