The plans and estimates amounting to Rs. 3,111 for providing additional accommodation required for the United Free Church Mission Training and Boarding school, Rayapuram, received with his letter R. C. No. 39, dated 20th January 1911, will be returned to the Director of Public Instruction for revision in accordance with the Consulting Architect's note dated 3rd February 1911, a copy of which is herewith forwarded.

To the Director of Public Instruction, with plans, estimates
 and a copy of the Consulting Architect's note.

ENCLOSURE.

Note by the Consulting Architect to Government, dated 3rd February 1911.

This may, I submit, be returned to the Director of Public Instruction with the remark that there is insufficient information given as to the floor of the "Proposed hall" shown on plan No. I. B. The thickness of the terracing, its materials and the size and spacing of joists should be given. Calculations should be supplied for all scantlings. The materials of which the existing structure is built should be carefully described. A specification should be supplied.

W. H. NICHOLLS,
Consulting Architect.
