From (Name) *J. R. Henderson, Esq., M. B. C. M., F. L. S.,*
(Designation) *Superintendent, Government Museum*
To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to refer to G. O. nos.
483 and 243 Mis, Educational, dated
15th August 1910 and 25th April 1911 res-
pectively, regarding the distribution of
copies of the "Fauna of British India"

2. Under the former order one copy is
allowed for this Museum, but none is pro-
vided for the Connemara Public Library.

14/5

The volumes of the series received here from time to time have been placed in the Connemara Public Library, and there are thus no separate copies available for my own use. Under the latter G. O., which lays down the distribution of certain volumes of the series received from the Government of India, I shall be supplied with a copy of each of the volumes noted in the margin*. As the "Fauna

* Birds — vols I—IV;
Fishes — vols I—II;
Moths — vols I—IV;
Rynchota — vol IV (2 parts);
Mollusca; and Arachnida

of British India" volumes are constantly required for reference it would much facilitate work if I had copies of them near at hand

instead of calling for them from the Connemara Library and accordingly I have the honour to request that Government will be pleased to arrange to supply me, if possible, with copies of the volumes mentioned in the annexure to this letter of which duplicate copies are not available here. If they cannot all be supplied the ones most urgently required are those dealing with "Butterflies" and "Mammalia".

Spare copies may perhaps be available in the Secretariat, or in the offices of the Board of Revenue and the Director of Public Instruction. I have also the honour to request that I may be supplied with two copies of future volumes

of the series, one copy for the Connemara Public Library and one for my own use.

3. As I have recently been supplied by Government with copies of the marginally-
* Birds — vols I—II. and } noted volumes
Moths — vols I—III } from the surplus
books received

from the Residency Library at Hyderabad (vide Chief Secretariat Memorandum No. 144-1 dated 15th March 1911), I shall be glad to spare for the use of any other office the duplicate copies of these volumes which will be supplied to me under the G. O. of the 25th April 1911 referred to.

I have the honour to be,
Sir,
Your most obedient Servant

Supplementary
Notes

C. No. 1104 From the S. G. M. No. 346, dated 13-5-1901.

SUBJECT: Requisition for Copies of the "Fauna of British India."

According to the distribution list of the copies of "Fauna of British India" annexed to G.O. 483 Bd of 15th August 1900 the S. G. M. gets a copy of the book. This seems to be intended for the Commemara Public Library. The S. G. M. is therefore right in placing the copies supplied to him from time to time in that library.

2. The Commemara library has a complete set of all the books except no. 7 mentioned in the list on page 4 of current file. As there can be made available for the Superintendent's reference without difficulty it seems unnecessary to furnish him with a separate set. As regards no. 7 - mammalia - copies of which are not in the library, perhaps, the Chief Secretariat Library may be requested to spare one copy. The latter now gets two copies, one for Madras and the other for Ootacamund, and it seems possible to spare the copy in the Secretariat library at Ootacamund.

3. The duplicate copies of "Birds - vols I + II" referred to in para. 3 of the Supt's letter may be supplied to the Board of Revenue, Land Revenue, who applied to the Govt. of India for 3 copies but got only two copies.

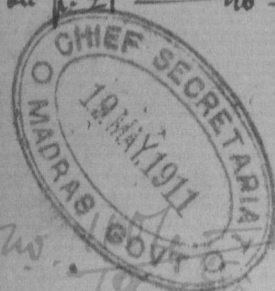

4. The file may be forwarded to the Chief Secretariat w.o. with reference to (A) alone, in the first instance.

For the Regr

Submitted there is no objection to sparing the only library copy ~~to the~~ ~~Sept~~ of the "mammalia" for the use of the Supt. Govt. Museum. The book is with very rarely, if at all, ^{be} referred to ~~and~~ in the Secretariat and the one copy at Madras should quite do for ~~possible~~ ~~a~~ all possible requirements. The Edl. Dept. may perhaps be informed accordingly.

According to the distribution list on page 4 of G.O. 483 B Edl d 15th August 1910 the Secretariat library gets 3 copies of the publication. In view of the statement at (A) above orders are solicited as to,

(1) Whether a copy of each of the volumes asked for by the S.G.M in the list on page 4 of current file may be obtained from the ^{Secretariat} library and may, with advantage, be furnished to the S.G.M. who states that the volumes are

"are constantly required for reference" and that "it would much facilitate work if he had Copies of them near at hand," and

(2) whether in future the number of Copies of the publication intended for the Secretariat library may be reduced from 3 to 2 and the copy thus set free may be given to the S.G.M. At any rate 2 Copies will seem to be sufficient for the Secretariat - one for Madras and the other for Ootacamund.

2. If this view is accepted the Chief Secretariat may be requested to forward to this department the Copies referred to in (1) ^{supra} and to state whether that department sees any objection to the course suggested in (2) above.
