The Director of Public Instruction in reviewing the educational portion of the budget estimate for 1911-1912 recommended in his No. reference on Cur.1237-- dated 18-1-11

Copy of letter from the President, District Board, Kurnool,
R.Dis.No.203 of 1910 dated 13th December 1910.

In G.O., No.1494 L.Mis., dated 9th November 1910 --

Government ordered that the District Board should submit with the budget estimate for 1911-12 such of the proposals of the educational authorities as are approved by the Board so that the question of further increasing the provincial subsidy for education may be considered by Government.

2. At the budget meeting held on 13th December 1910 it was accordingly resolved that while the finances of the Board do not admit of the increase of the pay of the masters in the Board's schools nor of the entertainment of further masters required to bring the staff of the schools in accordance with educational rule No.81, the proposals of the educational authorities in this behalf as shown in the proposition statement enclosed have the approval of the Board but cannot be budgeted for want of funds. The extra amount required to meet these proposals is Rs.2,976 or Rs.3,000 in round figures.

3. The educational authorities also desire to retain the Sessinal school for the training of teachers which has been maintained for the last eight years. This proposal also has the approval of the Board but it has been found impossible to make provision for it in the budget. The additional grant required is Rs.1,200.

4. I have therefore the honour to request that Government will be good enough to consider the advisability of increasing the provincial subsidy for education of Rs.16,000 by Rs.4,200.

A copy of the resolutions of the Board is enclosed.

Resubmitted to Government with special reference to paragraph 5 of G.O., No. 278 L., dated 2nd March 1911, and recommended that the Board's proposals be approved subject to the following modifications:-

(1) Board Hindu Elementary school. Markapur.

I am strongly opposed to the abolition of the --
Hindustani Munshi's place in this school unless the teaching of Hindustani is adequately provided for without him.

(2) Board Panchama Elementary school. Dupa.

One teacher is sufficient; but he may be paid Rs.10 considering the character of the school.

(3). Board Hindu Elementary school. Pattikonda.

The extra teacher proposed seems to be quite unnecessary.

2. A statement showing the strength of the schools referred to in the proposition statement is herewith submitted.
