Sir

I have the honour to enclose a petition to His --
Excellency the Governor in Council from the parents and
guardians of the students of the Technical school at
Tinnevely, and the residents of Tinnevely requesting --
the retention of the Technical school for their benefit.

2. The District Board, Tinnevely, has suggested --
for the consideration of Government the advisability in
the event of the closing of the Institute of providing
two or more scholarships of Rs. 10 per mensem for Tinne-
vely boys in some other Technical school in consideration
of the Board's having surrendered to Government property
worth Rs. 4,500.

3. The Board has also in its Resolution dated 25th
March 1911 resolved to provide one scholarship for Tinne-
vely boys from the interest of the Jubilee fund.

4. If three or more scholarships are provided, I do
not think petitioners need complain.

Through The District Collector

Tinnevely.

We the undersigned residents, parents and guardians
of Technical Students, and those interested in the instruc-
tion of the Technical Institute Tinnevely Bridge beg to bring
the following to Your Excellency's favourable consideration.

We are given to understand that the Hon. Chatterton
the Director of Industries has notified that the Technical --
Institute will be abolished from the 31st of March 1911.

2. This has taken us by surprise and we deeply regret
at the steps taken.

3. This Technical Institution has for the last 15 years
turned out many young men as artisans to earn their livelihood
and thus helped many poor families.

4. By this notice several young men who have been spen-
ding some years in this school will be thrown out of work and
will become unfit for other walks of life.

5. After the appointment of the new Superintendent Mr.
J.K. Peter who is strictly upright and honest a new life has
been imparted to the Institution: corruption has been put --
down: the number of children has increased and the general --
public are beginning to have confidence in this Institution.

SUBJECT. Continuance of the Technical Institute
Tinnevely.

K In G.O. 117 Edl of 28th February 1911, the Govt. decided to close the Technical Institute, Tinnevely, from 1st April 1911. Some of the residents of Tinnevely now submit a memorial requesting that the above order may be reconsidered and that the institution may be continued as a permanent one.

(Mr R. Aishe)
2. The Collector of Tinnevely through whom the memorial is submitted does not offer any remarks as to whether the institution should be reopened or not. He, however, observes that the St. Board of Tinnevely has suggested the advisability, in the event of the institute being closed, of providing two or more scholarships of Rs 10 p.m. ~~and has resolved to provide a scholarship for Tinnevely boys in some other technical school.~~ for Tinnevely boys in some other technical school, in consideration of the Board's having surrendered to Govt. property valued at Rs 4,500, and that the Board has resolved to provide one scholarship for Tinnevely boys from the interest of the Jubilee fund. The Collector expresses the opinion that if the Govt. will provide two or more scholarships of Rs 10 p.m. the petitioners need have no reason to complain.

3. Attention is solicited to the Secretary's note on pages 8 & 9 of the notes to G.O. 117 Edl of 28th February 1911 regarding the closure of the Tinnevely Institute. With regard to the St. Board's suggestion regarding the ~~in~~ institution of ^{Govt.} scholarships, it is observed that the Govt. were ~~the~~ of opinion that the request was
