To the Secretary to the Government of Madras,
(Through the Accountant-General) Educational Department
Su,

I have the honour to request you will be so good as to obtain the sanction of Government for the employment of two teachers on Rs. 30/- and 25/- per mensem in the Model School attached to the Government Training School, Tanjore, with effect from 1st July 1911 until 30th June 1912 or until the scheme for the reorganization of Training Schools is sanctioned, whichever is earlier.

2. There are at present eight standards in the Model School with 194 pupils and from the strength of the standards, noted in the margin, it will be seen that each of them requires a separate teacher. The existing staff, which consists of six teachers, is considered to be

be inadequate and it is reported that at present the last assistant of the training section is with some difficulty being spared for one of the standards while the other is managed entirely by students. As this arrangement is not conducive to the efficiency of the school, both the Circle Inspector and the Inspector of European and Training Schools consider that the employment of two teachers of the secondary grade is absolutely necessary. This proposal is in accordance with Rule 81 of the Madras Educational Rules.

3. As for the scale of salaries, I submit that the present pay of the Headmaster, viz., Rs. 20-1-25, is too low and as the services of qualified teachers cannot be secured for any thing less than Rs. 25/- I strongly recommend that the salaries of the two teachers be fixed at Rs. 30 and 25/-, the higher pay being given to the Headmaster.

4. I beg to add that it is highly important that a Training School should have a completely staffed Model School entirely independent both of the students under training and of the staff of the Training Section and that the arrangement now proposed is only of a temporary nature as, under the scheme for the reorganization of Training Schools, these secondary schools will disappear.

5. I beg to submit herewith the usual proposition statement and to state that a reappropriation statement shewing how the charge during the current year can be met will be submitted on receipt of the Civil Budget Estimates.

I have the honour to be,

Sir,

Your most obedient servant,

R. Sundaram
