GOVERNMENT PRESS.

The bills for stationery and overtime can be checked by me as desired. It is presumed that, as in the case of printing bills, the Government Press will charge 1 per cent. on the amount of the bills checked. I was not aware that overtime fees were paid as they were included in the stationery bill. The printing schedule is supposed to include these charges, and the stationery ought to be supplied on a contract, but these are details to which I will give attention if the charges are to be checked by me.
