May 1911. ~~sanctioning a grant of Rs 20,000 to~~ the University of
Madras ~~for~~ to meet charges connected with the
inspection of colleges and travelling expenses of
Fellows:-

The Syndicate used to arrange lectures for High
School teachers in Science, History and Geography and
Mathematics. They had Science lectures once and lectures
once or twice in other subjects. They stopped them
for some time to be renewed later. They may be asked
if they mean to repeat the lectures in December next in
any department of study. Mr. Stone must know too.

The lectures mentioned by the Hon'ble Member were
given during the Christmas Holidays. These have now
been reduced to at most a fortnight so that it would
be impossible to arrange vacation courses in them.
