GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 22nd May 1911.

No.—Ref. on Car. 8057/10.

I have the honour to submit the enclosed plans with estimate amounting to Rs. 18,000 for the completion of the building for the Taluk High School, Tenali, and to recommend that a grant of Rs. 6,000 be sanctioned to be paid when funds are available.

2. The management has already constructed the foundation and basement portion and no grant is therefore applied for towards their cost. The Public Works authorities who were consulted on the subject are of opinion that the building can be completed in accordance with the proposed plan and estimate.

3. The duplicate copies of the plan and abstract estimate will be submitted as soon as they are received from the correspondent.

4. The application is enclosed.

II

Note by the Chief Engineer, Public Works Department, dated 23rd June 1911.

The Director of Public Instruction submits for sanction an estimate amounting to Rs. 18,000 and two plans for constructing a "Taluk High School" at Tenali.

The plans and estimates have been scrutinised in the Chief Engineer's office and the sections of the roof timbers have been corrected where necessary.

With these remarks the estimate as altered in the Chief Engineer's office amounting to Rs. 18,300 is recommended for sanction.

C. A. SMITH,
Chief Engineer.

Order—No. 422, Educational, dated 1st July 1911.

The Government are pleased to sanction a grant not exceeding one-third of the actual expenditure nor exceeding Rs. 6,100 towards the cost of completing the building for the Taluk High School, Tenali, subject to the following conditions :—

(1) That in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted ;

(2) that the work is completed before the 31st October 1912 ;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 30th November 1912 ;

(4) that all other conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

(True Extract.)

L. DAVIDSON,
Ag. Secretary to Government.

To the Director of Public Instruction, with plans and estimates and the Chief Engineer's note.

Accountant-General.
Editors' Table (order only).

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 422, EDUCATIONAL, DATED
1st JULY 1911.

[SUBJECT.—Application for a building grant of Rs. 6,000 from the Taluk High School, Tenali.]

From the Director of Public Instruction, dated 22nd May 1911, No. 8057/10.

The plans and estimates may be forwarded to the Public Works department for scrutiny.

2. That department may be requested to state also the time required for the completion of the work.

P.R.—29-5-11.

K. RANGASWAMI AIYANGAR—30-5-11.

M. S. MASCARENHAS—30-5-11.

PUBLIC WORKS DEPARTMENT.

Note by the Chief Engineer, Public Works department.

The estimate has been scrutinized by the Chief Engineer who, by making certain minor alterations, has raised the amount from Rs. 18,000 to Rs. 18,300.

2. The file may be returned to the Educational department.

3. The work can be finished in 15 months.

R.K.—19-6-11.

P. HAWKINS—19-6-11.

EDUCATIONAL DEPARTMENT.

The amount of the original estimate was Rs. 18,000; and the authorities of the school applied for a grant equal to one-third of this sum, that is, Rs. 6,000 under article 51 of the Grant-in-Aid Code. In the course of the scrutiny the amount of the estimate has been raised to Rs. 18,300 by the Chief Engineer. The amount of the grant also may be correspondingly increased to Rs. 6,100, that is, to one-third of Rs. 18,300.

2. A draft order is submitted for approval.

P.R.—28-6-11.

The Public Works department say (*vide* paragraph 3 of their note above) that the work can be finished in 15 months. In the draft order time is given for the completion of the work until the 31st December 1912, that is, for eighteen months, so that there may be no occasion for applying for an extension of time. This will make no difference, as the payment will, in either case, fall due in the year 1912-1913.

K. RANGASWAMI AIYANGAR—28-6-11.

It may lead to delay and the work ought to be finished before the north-east monsoon. I have therefore altered the dates on the draft allowing time to the end of October.

L. DAVIDSON—28-6-11.

Approved.

M. H[AMMICK]—29-6-11.

[G.O., No. 422, Educational, dated 1st July 1911.]

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see the rules in G.O., No. 1220, Pubhc, dated 30th November 1900.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Deputy Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Deputy Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.

* Copies distributed on.....*(Press Clerk.)
