Gov

To,

HIS EXCELLENCY
 THE RIGHT HONOURABLE GOVERNOR
 IN COUNCIL FORT ST: GEORGE.

The Humble Memorial of K. Veeran Mohidin, Manager and Head Teacher of Mutuvattur Maplah Girls School in Ponnani Taluk of the Malabar District.

MOST HUMBLY SHEWETH,

1. That with feelings of profound humility and sorrow Your Excellency's humble Memorialist most respectfully begs to lay the following lines of grievances for Your Excellency's sympathetic consideration, and appeal against the order of the Assistant Inspectress of schools, West Coast Girls Range, excluding the above said Maplah Girls School from the list of the aided schools and the proceedings of the Director of Public Instruction, Madras, declining to interfere in the subject when an appeal was made to the latter on the subject (Vide Enclosures A, B & C.)

2. That Your Excellency's humble Memorialist has a service of more than 30 years as a teacher in Maplah Schools, and he has been conducting the Mutuvattur Maplah Girls School for the last 8 years. When the school was first brought under the inspection, he had been promised that it would be made a Salary System Govt. Girls School (Vide Enclosure D). But it was never made as such, and the Memorialist was only getting some aid annually in the shape of Teaching Grant. Your Excellency's humble Memorialist who holds a service qualification Certificate and his son a young man of Primary Grade have been wholly devoting their time to the work of the said Girls School, and discharging their duties in it with heart and soul, entirely relying on the fruits of their work. That they have been undergoing all sorts of difficulties and even incurring debts every year in maintaining the school, as the Results Grant they used to get has always been quite insufficient to cover the cost of the staff and the rent of the school building. They were thus teaching the illiterate class of Maplah Girls on the hope that the school will either be made a Salary System Govt. School or it will receive better encouragement from the Government in due course.

3. That in order to clear of the debts incurred by him in the management of the above said school as stated above, and with a desire of providing the school with a good and suitable building of his own for which the Inspecting Officers were often urging, Your Excellency's humble Memorialist sold off his only family property and erected a spacious, well ventilated and substantial building lately at a cost of more than Rs. 300, submitting to the Assistant Inspectress of Girls school before the commencement of the erection, a plan of the new building with an application for the approval of the same. The building after its completion was also shown to the Assistant Inspectress.

In March 1911

*The sub. and Inspectress
 stated that she had
 recommended that the
 school might be taken
 over by Govt.*

1. That it was when the humble Memorialist had sold of his only family property, lost all that he had and become a pauper in the cause of the said Girls School that he received the orders of the Assistant Inspectress (Vide A & B) to the effect that the said Mutuvattur Maplah Girls School was excluded from the list of aided schools. Your Excellency's humble Memorialist submitted an appeal to the Director of Public Instruction, Madras, on the subject, but he is exceedingly sorry to submit that no redress was given to him in any way. He has consequently been subjected to heart-rent sorrow and extreme disappointment on his endeavouring to conduct a Maplah Girls School at the risk of his own property on the hopes of encouragement from the educational department.

2. That the reason assigned to the exclusion of the said school from the aided list is that it was not regularly conducted during the past 2 years. But Your Excellency's humble Memorialist begs to submit that the school has been working satisfactorily and earning Results Grants during the past two years Viz 1908-9 & 1909-10.

3. That it is further seen from a reply (Enclosure G) lately received by the inhabitants of the locality on their joint petition addressed to the Inspectress of Girls Range in the Case of the aforesaid school that the Assistant Inspectress has been very greatly offended with the poor and helpless Memorialist personally. Your Excellency's humble Memorialist begs to submit that he does not see any reason for the same. Nor has he been in the habit of giving any room to any of his superiors for such a conception during his long service of 30 years which will be evincible from Enclosures E & F. Thus the unfortunate impression caused to be formed against the poor Memorialist as said above must be, he humbly thinks, from the report of the Supervisor of Maplah School who is greatly prejudiced against him.

4. That under the miserable circumstances stated above, Your Excellency's humble Memorialist and his son the Assistant Teacher are sure to be utterly ruined in this world, if Your Gracious Excellency would not be pleased to sympathize their final catastrophe and grant them a redress in consideration of their conscientious and risky labours in the cause of the Maplah female education. If the humble Memorialist is unfortunately supposed to have been wrong in any way by the inspecting authorities, he most humbly prays that he may be pardoned for the same and be mercifully dealt with.

5. That Your Excellency's humble Memorialist therefore most humbly prays that Your Excellency may be graciously pleased to take his humble and forsaken case into Your Excellency's benevolent consideration and order that (A) the above said Mutuvattur Girls school may be made a Govt. Lower Grade Elementary Maplah Girls school or a Teaching grant be paid to him with retrospective effect from 1910-11 by readmitting the school to the list of aided schools, and that (B) a special building grant may be paid in behalf of the present new building erected by the Memorialist at his own cost as described above. For which act of kindness justice and charity, Your Excellency's humble Memorialist will as in duty bound Ever

HIS EXCELLENCY

THE RIGHT HONOURABLE GOVERNOR
IN COUNCIL, FORT ST. GEORGE.

The Humble Memorial of the undersigned Maplah residents of Mutuvattoor, Perakam, Palayur and Mammiyur in Ponnani Taluk of the South Malabar District.

MOST HUMBLY SHEWETH,

1. That a Maplah Girls school conducted by a private manager named K. Veeran Mohidin has been in existence at Mutuvattur for the last 8 or 9 years, and he was getting some aid annually in the shape of Results Grant. Your Excellency's humble Memorialists had applied on several occasions that the above-said school might be made a Girl school under public management on a salary system, and they regret to state that their repeated prayers have not yet been granted, but Your Excellency's humble Memorialist now deeply regret to submit that even the ordinary grant enjoyed by the poor teachers was refused to them as the school was lately removed from the list of aided schools. Consequently the education of their girls has been made to suffer very much.

2. That Your Excellency's humble Memorialists are peaceful and loyal subjects of the British Government, aspiring female education, and most of them are paying a good sum of assessment to the Government, and there is not a single Maplah Girls School in the neighbourhood of their locality within a radius of 7 or 8 miles. It is a matter of great pity that the Memorialists are now deprived of the only Elementary Girls School already existing in their locality, instead of bringing it to an improved state by making it a salary system Government School for which they have been praying for a long time, while Andathod, Tirur and other places of little importance in the Taluk are provided with 2 and 3 Govt. Girls School in a radius of 3 and 4 miles.

3. That when the humble Memorialist submitted a petition to the Inspectress of Girls Schools in connection with the removal of the said school, they were only favoured with a reply herein enclosed to the effect that a Girls school under the correspondentship of one other than Veeran Mohidin may be opened and worked properly for one or two years when steps will be taken to transfer its management to the Government or Taluk Board.

4. That the humble Memorialists begs to submit that the above said Veeran Mohidin is an old and popular teacher of very long service, who has been imparting both religious and secular instructions in the Maplah Schools of their locality for the last 30 years, and most of the Maplah inhabitants of the Village including the humble Memorialists were once his pupils. He has endeavoured very much for the improvement of the abovesaid Girls School and suffered a great loss even at the sacrifice of the only small property he has, and erected at his own cost a substantial school building, hoping that he would meet with sufficient encouragement in the case of his school. It would be a matter of great pity that the said teacher Veeran Mohidin should thus be discouraged at a time when he has spent and lost every thing he has in the cause of the said Mutuvattur Girls School.

5. That Your Excellency's humble Memorialists therefore most humbly pray that Your Excellency may be graciously pleased to take their grievance into Your Excellency's benevolent consideration and order that the above said Mutuvattur Girls School may be made a Salary System Elementary Girls school at least on a probation for one or two years under the management of the said Veeran Mohidin who has endeavoured and suffered very much in behalf of the school, and to bless the humble Memorialists with a lower grade Girls School in their locality in Memory of the approaching August Coronation of their Beloved and Most Gracious Sovereign. For which act of benevolence, sympathy and justice Your Excellency's humble Memorialists shall Ever Pray.

appeal was referred to the Inspectress and on receipt of her report
the matter was considered and this office Proceedings Dis No.

Madam,

With reference to your endorsements Nos. 3450 dated 1st July 1910 and 3505 dated 4th July 1910 enclosed and memorandum No. 4017 dated 23th July 1910 I have the honour to state that the school was very irregularly conducted for the past two years. The registers were not properly maintained and for this a reduction was made in 1908. This had no effect on the manager and the registers were in the same state last year also. The fact was represented at the last September Conference and Miss Patterson was of opinion that the school should not get any grant last year. So long as the school was examined it was allowed grant and was excluded from the current year's list. Copy of the remarks of last inspection is herewith submitted.

2. Owing to certain irregularities the school was removed from the list in 1907 and the manager was allowed a chance in 1908. I do not think that a school will work honestly under this manager.

No. 4547 dated 26th August 1910.

Submitted to the Director of Public Instruction with reference to his endorsement N. Ref on Cur No. 4080/10 d/ 29th June 1910 herewith returned.
