To The Secretary to the Government of Madras,
Educational ~~Local and Municipal~~ Department.

Sir,

The proposition statement for the Teachers'
College sanctioned in G.O. No. 355 Educational, dated,
8th instant, contains five gazetted posts excluding those
of the Principal and the Vice Principal and I have
mentioned in my letter R.C.No. 5015 A/09, dated, 9th
December 1910, that the staff should include specialists
in English, Mathematics, Natural Science, Physics and
Chemistry, and History and Geography. To do the Physics
and Chemistry portion of the work, I propose to recommend
to Government in a separate note M.R.Ry M.C.S. Ananta
padmanabha Rau, M.A., L.T. who is an Assistant to the
Professor of Physics in the Presidency College, in the

first grade of the subordinate Educational Service - Collegiate branch. He is the best man I can think of for the work in the Teachers' College: but Mr. Jones, the Professor of Physics, Presidency College, considers that the work of the college in this branch will be considerably hampered by Anantapadmanabha Rau's leaving the College in the beginning of the session, which commences on the 10th July and that the difficulty can only be overcome by keeping him on till Michaelmas holidays which last from the 3rd to the 13th October and requiring his successor to work in the College from the beginning of the session till about the middle of October learning under Anantapadmanabha Rau's guidance, the work required of him at the College. Anantapadmanabha Rau would in his spare time render all the assistance in his power in organizing the Teachers' College laboratories. On personal consultation with Mr. Jones, I consider this course necessary. This will, however, increase the number of appointments in the Presidency College by one and I have the honour to request that the sanction of Government may be obtained for the addition to the college of a post on Rs. 100 per mensem, outside the cadre of the subordinate Educational Service - Collegiate branch, temporarily for about three months from the 10th July next. This proposal involves an extra cost of about Rs. 300 only. The necessary proposition and reappropriation statements will be submitted through the Accountant General on receipt of the orders of Government sanctioning this proposal.

I have the honour to be,
S i r,
Your most obedient servant,

R. Sundaram
For Director of Public Instruction.
