No. 62.

From

THE HON'BLE MR. ALFRED CHATTERTON,
Superintendent of Industrial Education,
DIRECTOR OF INDUSTRIES,

Madras,

To

THE Director of Public Instruction,

Madras.

SIR,

I have the honour to state that G.O. No. 768 dated 28th December 1910 sanctioned the proposal that the Weaving Assistant should be continued in his present employment till the 31st March 1911. That sanction has now lapsed and I have the honour to request that it may be continued till some permanent arrangement is made in respect to the work of the Weaving Department. With my No.96 G dated 28th April 1911, I have submitted proposals for the establishment of a Weaving School at Madura and till these are disposed of, the work of the Weaving Department is being carried on a restricted scale in the workshops attached to this office.

2. As was stated by one of the Indian members in the Legislative Council, very great interest is now evinced in the question of hand loom weaving and there are many visitors to the small collection of working looms which we have here and it is part of the duty of Mr. N. Subramania Aiyar to attend to all such enquiries. We are in addition carrying on extremely useful experiments in respect to the manufacture of cloths with ornamental borders and cross borders and

the results are highly promising. In my opinion, it is necessary that this work should be continued and I know of no one better fitted to be in charge of it, pending the appointment of a Weaving Expert, than Mr. N. Subramania Aiyar.

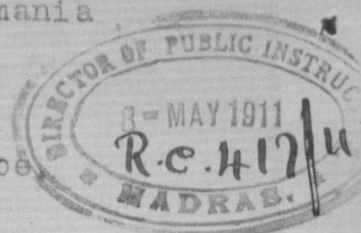

I have the honour to be,

Sir,

Your most obedient servant,

Styru Chatterton

Superintendent of Industrial Education.

NOTES.

C No.1288, from the D.P.I., No.417/11 dated 1st June 1911.

Subject.

Retention of the weaving assistant in the office of the Superintendent of Industrial Education.

(MRA, N. Subrahmanian aiyar)

The weaving assistant was in charge of the weaving factory at Salem. The weaving factory was closed in September last owing to the prevalence of plague in the town, and the establishment sanctioned for the factory, excepting the weaving assistant, was ordered in G.O., No.3966 Rev., dated 14th December 1910 to be dispensed with from 1st January 1911. As regards the weaving assistant, it was decided in the above G.O., that he should revert to his permanent appointment in the Educational Department, but the Government subsequently reconsidered their order and sanctioned his retention till the 31st March 1911 - vide G.O., No.768 Edcl., dated 28th December 1910.

2. In paragraph 4 of his letter No.162 G., dated 15th March 1911 Mr. Chatterton stated that a certain amount of weaving work was being carried on in his office under the superintendence of the weaving assistant and requested sanction for the retention of the latter pending the settlement of the establishment to be employed for the weaving school at Madura. In Memo No.720-1 dated 10th April 1911 however Mr. Chatterton was requested to report the nature and object of the work the weaving assistant was doing. He now states (vide para 2 of the D.P.I.'s letter No.8225 dated 18th May 1911) that the weaving assistant "is in charge of the experimental work which is still going on in the workshop attached to his office and that he is now doing the

"work which Mr. Dewal was supposed to have been engaged upon. He says that the adaptation of the "jacquered harness to bordered cloths is the principal work at the present moment but that experiments are also carried on with *ramie* fibre and the "church hill loom. It is stated that the weaving "assistant also attends, as far as he is able, to all "miscellaneous enquiries which properly belong to "the Bureau of Industrial Education."

3. In the present current Mr. Chatterton ^{regarding the retention of the weaving assistant} repeats his request and the Director of Public Instruction recommends that sanction may be accorded to the retention of the weaving assistant till orders are passed on the scheme of the reorganization of the Madura Technical Institute. This ^{also} scheme deals with the establishment of a weaving school at Madura and is separately under consideration.

4. The recommendation of the Director of Public Instruction may it is submitted be accepted. The draft below is for approval.

15-6-11

In the scheme for the reorganization of the Madura Technical Institute, submitted by the Honble Mr. Chatterton, it is proposed to add a weaving department to the institute under the Superintendence of a Weaving Expert, who, Mr Chatterton ^{considers} ~~suggests~~, should be obtained from England on a salary of Rs 750 p.m. and a weaving assistant on a salary of Rs 200 p.m. He has also suggested that pending the arrival of the Weaving Expert, which will take time, the weaving department or at least a portion of it might be started.

under the supervision of the weaving assistant. These papers have been sent to Madras to be printed under the orders of the Secretary and are not available here at present. In these circumstances, the retention of the weaving assistant until the scheme for the reorganization of the Technical Institute is sanctioned, may, it is submitted, be accepted.
