of age and long service.

G. No. 1156A, From the ~~Director~~ ^{Secretary} to the Govt. No. 1224, dated 29/6/1911.
Salt

To Secretary

In 1907, while considering the question of the promotions of certain officers of the Salt, Abkhari and Customs department who had not passed the required tests, the Govt. observed that there were then in the department a number of officers who had put in more than 20 ~~years~~ years service who had not passed one or more of the prescribed tests ^{or their} in the case of many of them "no increase of efficiency could now be expected if they were to complete the tests" and no loss of efficiency if they were to be permanently exempted.

A Accordingly in G.O. No. 926 Rev of 22nd April 1907 the Govt. exempted 34 officers of the Inspector Grade who had on the 1st April 1907 put in 20 years' service and were over 40 years of age. Similarly in G.O. No. 433 Rev of 6th July 1907 the Government exempted

service on 1st April 1909 and request that they may be exempted from passing certain tests in the same way as certain officers of the Salt and Abkari department were exempted in G.O. No. 986 Rev. of 22nd April 1907 and No. 433 Encl. of 6th July 1907. The principle adopted in the above G.O. was that the officers should have been over 40 years of age and have completed 20 years' service on 1st April 1907. As the rules for the examination of officers of the Customs Department were newly revised in 1909, the Board's recommendation may be supported in Revenue.

3 The Board of Revenue also recommends ^{from among certain tests} the ~~exemption~~ of three Sub Inspectors of the Salt and Abkari department who on the 1st April 1907 ~~to~~ were over 40 years of age and had completed 20 years' service. Their names had not been included in the list in G.O. No. 433 Encl. of 6th July 1907 since they were not then liable to pass the tests. Submitted that the
