My dear Davidson

I am sending on an

application for combined leave from
Litchfield. He wants to be allowed
to hand over to his head clerk on 20th
Oct so as to take advantage of Chandi
for a few days. It does not
seem advisable to give him this permission
till we know who is to relieve him.

If Littlehairs is allowed to go before we
get another man I think the Dept
will be unduly short handed. There
is also the question of my leave postponed
by France's extension and I can't
yet decide whether to ask for this before
Christmas or in April.

Yours sincerely

one as Circle Inspector,
and another as Inspector
of European Schools.

The Secretary of State was addressed in
Desp. No. 4, dated 16th November 1910, to
send out two officers to act as Inspectors
of Schools in the vacancies which were
expected to be caused by Messrs Stone and
Littlehailes proceeding on leave. The Secy
of State suggested Mr Ross for the
place of Circle Inspector, but he ^{has} not
been appointed as Vice-Principal of the
Teachers' College, Saidalet, for which post
the Secretary of State had been requested to
recruit an officer in England. (Desp. No. 1,
dated 20th March 1911) and in respect of
which the Secretary of State called for
revised proposals - vide telegram on
p. 28 of G.O. 444 E.S. dated 6th July 1911
Two officers are therefore ^{still} wanted for
these vacancies, but if Mr Stone is to postpone his leave until
April next, one officer at least will be
required in October next.

2. In his up note dated 25th
August 1910, Dr. Bourne said that in
every case in which an Indian Educational
officer is likely to be absent for a
Year or more ~~and~~ an earnest effort
should be made to secure an European
Substitute. The officers of the I.E.S. who
have

p. 3 of G.O. 531 E.S. - X
7.9.10

have given notice of their intention to apply for leave in the next year are
(1) Mr. Kershaw. for six months from July or August 1912.

The D.P.I. has already stated that it is unnecessary to get a substitute for Mr. Kershaw from England.

(2) Mr. Mayhew. for fifteen months from January 1912.

It has been practically decided that Mr. Macintosh who is now acting in the vacancy caused by Mr. Mayhew's deputation to foreign service should continue to act for him during his absence on leave.

(3) Mr. Braithwaite. for fifteen or sixteen months including six months for furlough study from December 1911 or January 1912.

This case is dealt with in the linked file and it is proposed to ask the D.P.I. to state whether a substitute should be obtained from England.

3. Mr. Stone expresses the opinion that the department will be extremely short handed if Mr. Littlehales is allowed to go before a substitute is got from England. In para 4 of Dep. No 4. dated

16th

16th November 1910, it was stated that one of the persons asked for therein should arrive in Madras by the 15th July 11 (to take Mr Stone's place) and the other about the 15th November 1911 (to take Mr Littlehairs' place). The Secretary of State may now be asked by telegram to send one of these two ~~and~~ so as to reach Madras on or about the 15th October next and the other in the beginning of January next, so that even if Mr Stone should decide upon having his leave from April, the new man who arrives in January may be put to act as Inspector of Schools I Circle, assisting temporarily Muhammad Azam Salih (a P.E.S. Officer) until Mr. Stone actually takes leave:
