Read—the following papers :—

I

G.O., No. 25, Educational, dated 15th January 1909.

Abstract.—Stating that the Government are prepared to consider proposals for granting free quarters to teachers in Government schools to which hostels are attached, and requesting the Director of Public Instruction to specify the Government schools to which hostels are attached and to state the number of masters for whom quarters may be provided.

II

G.O., No. 424, Educational, dated 1st July 1911.

Abstract.—Passing orders on the reorganization of the Government Training schools for masters in this Presidency and requesting the Director of Public Instruction to submit the usual proposition statements.

III

Letter—from the Hon'ble Mr. A. G. Bourne, D.Sc., F.R.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 30th July 1909.
No.—Ref. on Cur. 339.

With reference to G.O., No. 25, Educational, dated 15th January 1909, asking me to specify the Government schools to which hostels are attached and to state the number of masters for whom quarters may be provided with reference to the requirements of each institution, I have the honour to report as follows.

2. Hostels are now attached to the marginally noted institutions and out of these, I propose that the medical schools be left alone for the present. I may, however, point out that the first instructor of the school at Rayapuram who is in charge of the hostel there has been allowed free-quarters and that this arrangement is considered to meet the present requirements of the school. Of the remaining institutions, the hostels attached to Nos. 1 to 4 are located in Government buildings and those attached to Nos. 5 and 6 in rented buildings Proposals connected with hostels should, however, not be limited to these institutions, but each training school should sooner or later be provided with a hostel and in the case of the schools to which hostels are already attached or may hereafter be attached, it would be sufficient if provision be made for the free quarters of a single member of the staff who may generally be the headmaster.

1. Government Training school, Ongole.
2. ,, ,, Chittoor.
3. ,, ,, Villupuram.
4. ,, ,, Madras (for Panchamas).
5. ,, ,, Nellore.
6. ,, ,, Ráyachóti.
7. Madrasa-i-Azam
8. Medical school, Rayapuram.
9. ,, Vizagapatam

3. In the case of the Madrasa-i-Azam, there is already a resident headmaster who is also the warden of the hostel and no action is, therefore, necessary with regard to this institution.

4. I may further add that if and when the Government Model High school scheme comes into operation, there will be many other cases requiring consideration, and proposals for providing the necessary free quarters will be submitted in each case when the establishment of a hostel is contemplated.

IV

Official Memorandum No. 1464-1, Educational, dated 12th August 1909.

With reference to his letter R.C. No. 339, dated 30th July 1909, specifying the Government schools to which hostels are now attached and stating the number of masters in each for whom quarters should be provided, the Director of Public Instruction is requested to state whether in the case of the six training schools specified in the margin, accommodation for a single resident master can be set aside in the hostels themselves without undertaking any enlargements of the existing buildings.

Ongole, Chittoor, Villupuram, Madras (for Panchamas), Nellore and Ráyachóti.

(By Order.)

C. A. Souter,
Under Secretary to Government.

To the Director of Public Instruction.

V

Letter—from the Hon'ble Mr. A. G. Bourne, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 17th September 1909.
No.—Ref. on Cur. 339.

With reference to your Memorandum No. 1464-1, Educational, dated 12th August 1909, I have the honour to subjoin hereunder an extract from the letter of the Inspector of European and Training Schools furnishing information regarding the accommodation now available in the hostels in question :—

"As stated in letter No. D/229, dated 12th March 1909, the buildings used for the hostel at Ráyachóti and Nellore are rented buildings and the accommodation in them is not sufficient even for the students. The owners of these are not likely to be willing to make any extensions to them in order to provide quarters for a resident master.

The hostel buildings in the other four places are not sufficient as reported by Mr. Middlemast even for the students who have to use them and none of them can be adapted for residential quarters for masters without their being considerably improved and enlarged."

Order—No. 528, Educational, dated 2nd August 1911.

The Government agree with the Director of Public Instruction that hostels should be attached to each of the training schools for masters which it is proposed to establish or continue under the scheme of reorganization approved in G.O., No. 424, Educational, dated 1st July 1911, and that provision should be made for a resident warden in each such hostel. The Director will accordingly be requested to prepare and submit at an early date a rough estimate of the cost of providing hostels and warden's quarters in connection with all these training schools.

(True Extract.)

L. Davidson,
Ag. Secretary to Government.

To the Director of Public Instruction.
,, Public Department (with copy of notes).

From the Director of Public Instruction, dated 30th July 1909, *No.* 339.

In their letter No. 1037, Educational, dated the 21st December 1908, the Government of India were pleased to authorize the Government of Madras to grant at their discretion free quarters on the school premises to teachers employed in Government schools to which hostels are attached, on condition that definite duties as regards the supervision of pupils out of school hours were assigned to each master thus permitted to reside on the school premises. They also left it to the Local Government to fix the number of masters for whom quarters should be provided, with reference to the reasonable requirements of each institution.

G.O., No. 25, Educational, dated 15th January 1909.

2. In G.O., No. 25, Educational, dated 15th January 1909, the Government called for a report on the subject from the Director of Public Instruction; and he was requested to specify the Government schools to which hostels were attached and to state the number of masters for whom quarters might, in his opinion, be provided, with reference to the requirements of each institution.

3. The Director of Public Instruction now states that the following are the institutions to which hostels are at present attached :—

(1) The Government Training School, Ongole.
(2) Do. Chittoor.
(3) Do. Villupuram.
(4) The Government Panchama Training School, Madras.
(5) The Government Training School, Nellore.
(6) Do. Rayachóti.
(7) The Government Madrasa-i-Azam, Madras.
(8) The Medical School, Rayapuram.
(9) Do. Vizagapatam.

4. Dr. Bourne proposes that the two medical schools may be left alone for the present. He points out, however, that the first instructor of the Medical School at Rayapuram, who is in charge of the hostel attached to the school, has been provided

with free quarters (G.O., No. 224, Educational, dated 23rd March 1908) and that this arrangement is considered to meet the present requirements of the school. In the case of the Madrasa-i-Azam, he observes that there is already a resident headmaster who is also the warden of the hostel; and that no action is therefore necessary as regards that institution.

5. With regard to the other six institutions, which are already provided with hostels, the Director states that the hostels attached to the Government training schools at Ongole, Chittoor, Villupuram and Madras are in Government buildings and that those attached to the training schools at Nellore and Ráyachóti are in rented buildings. Dr. Bourne considers that the provision of hostels should not be limited to these six institutions, but that each training school should sooner or later be provided with a hostel; and he suggests that in the case of schools to which hostels are already attached or may hereafter be attached, it would be sufficient to provide free quarters for a single member of the staff who may generally be the headmaster.

6. Dr. Bourne adds that if and when the model secondary school scheme comes into operation, there will be many cases requiring consideration and that proposals for providing the necessary free quarters will be submitted in each case when the establishment of a hostel is contemplated.

G.O., No. 250, Educational, dated 30th March 1908.

7. It is for consideration whether the Director may now be asked to obtain and submit plans and estimates for quarters for the headmasters of the training schools at Ongole, Chittoor, Villupuram, Madras, Nellore and Ráyachóti to which hostels are at present attached and also for the provision of buildings for the hostels at Nellore and Ráyachóti which are said to be in rented buildings.

T.K.—9-8-09.

The letter from the Government of India, No. 1037, dated 21st December 1908, refers to the question of providing free quarters to teachers in "Government schools" to which hostels are attached. Only nine of the existing Government schools are reported to have hostels attached to them. Dr. Bourne thinks that all training schools should sooner or later be provided with hostels, and that when the model secondary school scheme comes into operation, many of them also will have to be provided with hostels. He makes no reference in his letter either to the School of Commerce, Calicut, or to the Medical School at Tanjore, both of which are Government schools. They are apparently not now provided with hostels * and Dr. Bourne does not seem to consider it necessary that they should have hostels attached to them.

In G.O., No. 25, Educational, dated 15th January 1909.

* The Calicut isn't: I don't know about the other.

W. Francis.

It may be noted, in this connection, that a proposal is under the consideration of Government in the Public Department to amalgamate the Tanjore Medical School with the Medical School at Ráyapuram.

K. Rangaswami Aiyangar—9-8-09.

The Director of Public Instruction may be asked to submit proposals for building quarters for a resident teacher in the schools at Ongole, Chittoor, Villupuram, Madras, Nellore and Ráyachóti. In the last two places he may be asked to report whether hostels should not be built for the students.

2. If quarters are built, then the Director of Public Instruction should assign definite duties to the resident master.

C. A. Souter—10-8-09.

Ask Director of Public Instruction whether in the above six cases accommodation for a single resident master can be set aside in the hostels themselves without undertaking any enlargements of the buildings.

W. Francis—11-8-09.

Draft submitted for approval.

T.K.—11-8-09.

K. Rangaswami Aiyangar—11-8-09.

C. A. Souter—12-8-09.

[Memorandum No. 1446-1, Educational, dated 12th August 1909.]

From the Director of Public Instruction, dated 17th September 1909, R.C. No. 339.

The Director of Public Instruction states that the buildings used for the hostel at Ráyachóti and Nellore are rented buildings and that the accommodation in them is not sufficient even for the students. He does not consider that the owners of these buildings are likely to be willing to make any extensions to them in order to provide quarters for a resident master.

2. The hostels in connection with the training schools at Ongole, Chittoor, Villupuram and Madras are held in Government buildings; but these buildings, the Director of Public Instructions states, are not sufficient even for the students who have to use them and none of them can be adapted for residential quarters for masters without their being considerably improved and enlarged.

T.K.—23-9-09.

Submitted to the Secretary with reference to his note, dated 11th August 1909, on the previous page.

K. Rangaswami Aiyangar—23-9-09.

C. A. Souter—23-9-09.

Put up the recent papers about the re-organization of training schools. We have proposed to abolish some of these schools, but the office-note doesn't even mention the fact.

W. Francis—26-9-09.

The file regarding the reorganization of training schools is submitted.

2. In paragraph 2 (2) of Memorandum No. 1678-1, dated 16th September 1909, it was observed that the number of elementary training schools in this Presidency could be reduced and it was pointed out that it did not seem necessary to have separate training schools both at Chittoor and Ránipéttai, both at Guntúr and Ongole and both at Anantapur and Ráyachóti. The above cases were only cited as instances in which a reduction might be possible, but it was not definitely stated whether any of these schools and, if so, which of them, should be abolished.

3. Of the six schools above referred to, those at Guntúr and Anantapur have no buildings, while that at Ránipéttai is held in the old Military barracks which have been adapted for the purposes of a school and none of these three schools have hostels attached to them. The schools at Ongole, Chittoor and Ráyachóti have buildings and have hostels attached to them and according to the principles laid down in paragraph 2 (2) of Memorandum No. 1678-1, dated 16th September 1909, for effecting a reduction in the number of training schools, there seem to be greater chances of the schools at Chittoor, Ongole and Ráyachóti being retained than those at Ránipéttai, Guntúr and Anantapur.

Chittoor and Ránipéttai, Guntúr and Ongole, Anantapur and Ráyachóti.
Page 6 of G.O., No. 155, Educational, dated 15th March 1909.

Clearly.
W. Francis—1-10-09.

4. These papers may, it is submitted, lie over pending the issue of final orders on the question of the re-organization of training schools.

T.K.—29-9-09.

K. Rangaswami Aiyangar—29-9-09.

C. A. Souter—30-9-09.

I cannot deal with the file without a copy of those orders.

L. Davidson—2-6-11.

Final orders have been passed on the question of the reorganization of training school for masters. These orders have, however, not issued, as the file is still with the Financial Department.

2. Of the six training schools mentioned in the Director of Public Instruction's letter, dated 30th July 1909, to which hostels are said to be attached, the Government have decided to abolish the training school for Panchamas (No. 4 in the list) and the training school at Ongole (No. 1 in the list). In regard to the remaining schools, it is for consideration whether the Director of Public Instruction may be asked to submit proposals for building quarters for a resident teacher in the hostels attached to the training schools at Chittoor and Villupuram, which are held in Government buildings, and to report whether new buildings should be constructed for accommodating the hostels attached to the training schools at Nellore and Ráyachóti, which are said to be in rented buildings.

Vide paragraph 5 of the Director of Public Instruction's letter.

A

T.K.—31-5-11.

K. Rangaswami Aiyangar—31-5-11.

Proposals may be called for providing quarters at Chittoor and Villupuram, and the Director of Public Instruction asked whether buildings for hostels at Nellore and Ráyachóti should be constructed.

M. S. Mascarenhas—11-6-11.

With reference to the Secretary's note on the margin above, it is submitted that the Government having approved the proposals of the Director of Public Instruction regarding the re-organization of training schools for masters, this file may now be taken up for consideration. The question for orders is set out at **A** *supra*.

K. Rangaswami Aiyangar—27-6-11.

I am afraid not until the further orders of Honourable Member have been taken on the Financial u.o. notes received to-day.

L. Davidson—28-6-11.

G.O., No. 424, Educational, dated 1st July 1911.

Orders have now issued on the scheme for the re-organization of training schools for masters and a copy of the order is put up.

2. This file is accordingly now submitted for orders.

K. Rangaswami Aiyangar—1-7-11.

I do not think anything more is required for the disposal of the long-pending paper than an expression of general agreement as to the soundness of the policy of (1) attaching hostels to each of the training schools which may be established or continued with reference to the orders of the Government of India on the general scheme about to be submitted for sanction, and (2) making provision for a resident warden at each such hostel. Detailed proposals must await the orders of the Government of India on the scheme.

2. The case of the Ráyapuram hostel has just been dealt with in a separate Government order and the Public Works Department are calling for revised estimates involving provision for resident warden.

3. As to the medical school at Vizagapatam, if the control is transferred to the Surgeon-General, as I believe was recently suggested in connection with the future management of the Medical College, the matter will be for settlement in the Public Department, but whichever department deals with the case I see no reason why the matter should lie over any longer. Proposals may be called for at once.

G.O., No. 183, Educational, dated 29th March 1911.

4. The provision of hostels for model high schools must await the Secretary of State's order on the scheme now under his consideration.

L. Davidson—3-7-11.

To the Public
,, Financial } *Departments* (before circulation).

Public Department.

This department may express concurrence in the views expressed in paragraph 3 of the Local and Municipal Secretary's note above. As the medical schools are now under the Educational Department, it is presumed that the question of providing quarters for a resident instructor in the Medical School, Vizagapatam, will be taken up in that department.

N.K.—7-7-11.

M. S. Mascarenhas—7-7-11.

Chief Secretary (*through Financial Department*).

Financial Department.

Please see Home Department letter No. 1037, dated 21st December 1908, printed in G.O., No. 25, Educational, dated 15th January 1909. This letter seems to refer only to the question of providing free quarters to teachers in Government schools to which hostels are attached. The order which Educational now propose to issue goes a step further, in that it contemplates the provision of hostels in institutions where they do not at present exist, besides free quarters for wardens. The institutions to which the present order would apply are—

(i) Training schools.
(ii) Medical School, Ráyapuram.
(iii) Medical School, Vizagapatam.

See last paragraph of Director of Public Instruction's letter.

The scope of the order will, however, presumably be extended to other institutions.

2. The question of providing a suitable hostel for the Medical School, Ráyapuram, is being separately dealt with, so that this institution may be left out of consideration. As regards training schools there will be under the scheme recently approved, besides the Teachers' College—

G.O., No. 424, Educational, dated 1st July 1911.

(*a*) six secondary schools.
(*b*) ten higher elementary training schools.
(*c*) fourteen lower elementary training schools.

This scheme has not yet been submitted to India and it will be some time before final orders are passed. It is not possible for this department to estimate even roughly the cost involved in the provision of hostels and quarters for wardens for these institutions. Hostels at present exist only in very few cases. For the Medical school, Vizagapatam, provision has to be made for a residential instructor. In calculating the ultimate liability involved in the proposal account will also have to be taken of other institutions to which the scheme will presumably be gradually extended. It is submitted that unless a rough forecast is given of the financial effect, the proposal can hardly be supported in this department, and there appears to be no particular urgency to issue a general

Last paragraph of Director of Public Instruction's letter.

order as proposed. The question of the Medical School, Vizagapatam, may be taken up separately and a detailed estimate called for. As regards training schools the sanction of the Government of India to the new scheme may perhaps be awaited.

K. P. Ananthan—15-7-11.

It is submitted that this department may ask that the question of issuing orders in the sense of (1) and (2) of Mr. Davidson's note on page 4 *ante* may be considered after sanction has been received to the scheme for the re-organization of training schools, which has yet to be sent up to India, and with reference to the financial position at the time that orders are received. It does not appear that India's letter No. 1037, dated 21st December 1908, calls for the issue of any orders as proposed at present. It is observed that that letter expresses the opinion that the scheme of resident masters at hostels is the most satisfactory method of supervising *boys* out of school hours. It is understood, however, that those who attend the training school are *adults*.

C. Reilly—18-7-11.

We cannot deal with any general scheme until we have some idea of the cost. When the orders of the Government of India are received a rough estimate of the funds required for hostels and warden's quarters can be made and the question of financing the scheme can be discussed. Perhaps the Director of Public Instruction might be told at once to prepare such an estimate on the assumption that the proposals will be accepted without alteration. That would save time and would enable provision to be made in next year's budget.

Yes, do this.
M. H[ammick].

A

2. I do not think the control of medical schools has yet been made over to the Public Department, but the Finance Department may agree to definite proposals for quarters at the Vizagapatam school being called for at once.

Harold Stuart—20-7-11.

To the Educational Department.

Educational Department.

Honourable Member—

L. Davidson—22-7-11.

B I agree that the medical schools had better follow the Medical College and be made over to the Surgeon-General and Public.

As regards our schools ask the Director of Public Instruction to submit a scheme as at **A** in the Chief Secretary's note. There is no doubt that we shall want hostels at all training institutions.

M. H[ammick]—24-7-11.

Draft submitted for approval.

T.K.—25-7-11.

After issue of the order the file may be sent to the Public Department for perusal of the Hon'ble Sir M. Hammick's remarks at **B** *supra*.

K. Rangaswami Aiyangar—26-7-11.

Public u.o. for acceptance of draft and perusal of notes. I have intentionally omitted any reference to the Vizagapatam Medical School as in view of the impending transfer it seems better that the proposals should be worked out by the Surgeon-General—not the Director of Public Instruction.

L. Davidson—27-7-11.

Public Department.

The draft order may be accepted in Public.

N.K.—31-7-11.

Accepted in Public.

(The transfer of medical schools to the Surgeon-General's sole control is under discussion with him.)

INSTRUCTIONS FOR THE SECRETARIAT.

(*a*) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(*b*) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be lettered in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(*b*1) For rules regarding printing of notes, see the rules in G.O., No. 1220, Public, dated 30th November 1900.

(*c*) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(*d*) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for *one* week, and larger papers for *two* weeks only. *The type of notes and of all confidential papers is distributed immediately after striking.*

(*e*) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(*a*) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Deputy Registrar with a remark to that effect.

(*b*) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Deputy Registrar any instance of incomplete or careless editing.

(*c*) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(*d*) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(*e*) The names of the Secretary and Members should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.
