As the sanction accorded in G.O. No. 312 Mis. Edl., dated 31st May 1910, to the retention of the Carpentry Instructor in the Government Muhammadan Elementary School, Mylapur, expired with the 31st May last, I have the honour to request that Government may be pleased to sanction the continuance of the post for another year from the 1st June 1911. As regards the delay in the submission of the application, the Inspector states that there were certain irregularities at the institution, particularly in connection with the Carpentry Class, which had to be set right before steps could be taken for its continuance and that measures have now been taken for its proper working by the appointment of a better qualified instructor.
