Sir,

With reference to the G.O. No. 382, Educational, dated 4th July 1910, I have the honour to request that the date required for the completion of the American Mission Hostel, Tindivanam, may be advanced to the 31st December 1911.^(to be revised)

The reason for the request is the lack of water. Not for many years has Tindivanam suffered from water famine as much as this. At the time of writing the chief water supply of the town has become about exhausted. These difficulties have seriously hampered the progress of construction on the Hostel which is now at a stand ^{still} ~~still~~. In case the date for completion is not advanced undue haste and consequent carelessness will result to the detriment of the building.

The Hostel will be ready for the accommodation of the students January 15/1912.

Trusting that the request may be granted.

I have etc.,
(Sd) W.T. Scudder.
