At the budget debate held on the 5th April 1911, the Hon'ble Mr. Subba Rao referred to the Hon'ble Mr. Gokhale's Elementary Education Bill and observed that Government might encourage the municipalities in the first instance in pushing forward the scheme step by step towards free and even compulsory education. To this end he suggested that municipalities should be relieved of the burden of ~~paying~~ paying teaching grants to aided elementary schools and pointed out that if they were relieved of this burden and if Government gave extra grants for building schools and equipping them, the municipalities would be able ~~(to)~~ ultimately make the ~~xxx~~ existing schools run on as free where compulsory education was imparted.

2. The Bill is now under the consideration of Government and it does not appear to be necessary at present to consider the suggestions made by the Hon'ble Legislative Council Member which are intended only as auxiliary to the introduction of compulsory education. It may however be observed that under article 5 of the Grant-in-Aid Code it is not obligatory on the part of municipalities or local boards to pay teaching grants; and as a matter of fact no teaching grants are paid by several municipalities (the number was 14 in 1909-10).
