At the budget debate held on the 5th April last the Hon'ble Mr. Rammachandra Rao Pantulu referred to the non-affiliation of the Presidency College to the University of Madras in classical and vernacular languages for the B.A. course and desired to know what the exact state of things was. The Hon'ble Mr. Krishnaswami Aiyangar referred to a want of sympathy on the part of inspecting officers with indigenous institutions and requested that these officers should show a genuine and real sympathy with such institutions. The Hon'ble Mr. Stone replied to both these points in his speech. He answered the Hon'ble Mr. Rammachandra Rao Pantulu that it was the intention of Government to take up the oriental languages in the Presidency College and teach up to the Honours standard. As regards the inspecting officers' sympathy with indigenous schools, he said that he trusted that the Hon'ble Mr. Krishnaswami Aiyangar did not mean to advance the proposition that schools should be recognized however inefficient they might be. It does not seem necessary to take any action in these matters.
