NOTES.

Budget debate - 5th April 1911.

Establishment of a laboratory for the
Dyeing expert Dr. Marsden

Subject.

Establishment of a tinctorial laboratory.

At the last budget debate held on the 5th April 1911, the Hon'ble Rao Bahadur ~~Rao~~ Nagaraya Chetti expressed the hope that a good laboratory would soon be fitted for the Dyeing Expert, Dr. Marsden, for purposes of experiments and researches. Dr. Marsden is now making a survey of the dyeing industry in this Presidency. He has almost completed his work and has been permitted to go to Bombay to study the condition of the dyeing industry there before he submits his report. He will soon submit a preliminary report embodying his suggestions for the improvement of the industry in which he will no doubt state his requirements for carrying out his work of investigation. The question of providing him with a laboratory may then be considered. Mr. Chatterton has also recommended this course in his letter submitting proposals for the re-organization of the Madura Technical Institute, which are ~~now~~ separately under consideration. ~~There~~ It does not appear to be necessary to take any action on this file, which may be sent no. to the Financial Deptt with reference to their note no. 3314-1 dy 7.7.11.
