G.O., No. 339, Educational, dated 1st June 1911.

ABSTRACT.—Passing orders on the explanation submitted by the Director of Public Instruction in regard to the check exercised by his office over the accounts of the Rajahmundry College.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 11th August 1911.

No.—Ref. on Confid. No. 7/10.

With reference to paragraph 2 of G.O., No. 339, Educational, dated 1st June 1911, I have the honour to state that the Principal reports that a register showing the steps taken for the recovery of the amounts advanced from the Poor Scholars' fund was opened on 28th July 1907 and that only one circular letter has been sent to the defaulters since then. The list of payees in the register is reported to be incomplete and the register has been carelessly maintained. The original list of payees down to 1904 is reported to contain some 99 names and no entries seem to have been made in it since that year. Recoveries, however, continued to be entered. It is thus possible to ascertain the amount due from each payee according to the list above referred to; but any payee who declares himself to have repaid the amounts due by him in Somanna's time will have to be believed as Somanna's accounts are obviously incomplete as well as purposefully bungled. The Principal adds that subsequently to 1906 separate stamped acknowledgments similar to promissory notes seem to have been taken from the debtors, but even these are not available. Whatever the conditions of the agreement be the Principal thinks that no legal action can be taken in the case of defaulters as they are rather morally than legally bound in the matter. However, he proposes to make a further attempt to recover the amounts by the issue of another circular to defaulters.

2. With regard to the amounts drawn from the various endowment funds, the Principal now reports that neither the register of scholarships maintained by the late clerk nor the general acquaintance roll of the college shows whether the amounts drawn were actually disbursed to the students to whom they were due.

Order—No. 599, Educational, dated 30th August 1911.

The Government consider that a statement showing the transactions of the Poor Scholars' fund in each year should be incorporated in future administration reports of the college and that a set of rules should be drawn up for the working of the fund. Early action should also be taken to ascertain and collect the amounts which are still outstanding.

2. The Director of Public Instruction is requested to submit the necessary applications for vesting in the Treasurer of Charitable Endowments the three scholarship and prize endowments attached to the college.

From the Director of Public Instruction, dated 11th August 1911, No. 7.

Please see paragraphs 27 to 31 of the Auditor's report on pages 9 and 10 of G.O. No. 242, Educational, dated 6th May 1911, for an account of the present state of the poor scholars' fund of the Rajahmundry College. According to this report a sum of Rs. 9,673 has still to be recovered. The Director of Public Instruction may now be asked to take early steps to collect whatever sum may be recoverable from this amount and to arrange to furnish annually a statement showing the transactions of this fund and to incorporate it in future administration reports of the college. He may also be requested to draw up a set of rules for the working of this fund.

2. No steps have yet been taken to vest the three scholarship and prize endowments of the college in the Treasurer of Charitable Endowments. The Director of Public Instruction may be asked to submit the necessary applications without further delay.

3. A draft is submitted for approval.
