Sr,

The Principal, Teachers' College, Saidapet,
reports that, owing to the admissions into the College
having been restricted to Secondary grade students
in the beginning of this year, there were only 26
Brahmans messing in the Brahman hostel attached to the
College and that in consequence of the small number
of boarders and the high price of provisions, the
boarding charges of each student who lived in the hostel
including the cost of establishment and hostel rent
exceeded by Rs. 1-8-0 the amount which he received as
stipend. The Principal accordingly recommends that the
hostel rent of Rs. 17-8-0 a month be remitted till the
end of the last term. I agree with the Principal in
thinking that it would be a hardship for the students
to have to pay more than what they got as stipend and

To The Secretary to the Government of Madras,

Educational Department.

Sir,

With reference to the Memorandum of Government No. 1340 - 1, dated 29th June 1911, I have the honour to furnish below the particulars required therein :-

	Amount or rate of stipend per mensem. Rs.	Rate of room rent charged monthly. Rs. A. P.	Monthly boarding fee. Rs. A.
4 F.A. Students <u>(each paying ...)</u> ...	12	0 13 0	10 4
13 Upper Secondary students <u>each paying ..</u> ...	10		

2. The rent referred to above is for the room occupied by each student in the hostel compound and is quite distinct from the rent levied from him as interest on the outlay on the hostel building - kitchen and dining hall. The latter amount was fixed at Rs. 15/- per mensem in G.O. No. 622 Educational, dated 3rd October 1888, but was subsequently

increased to Rs. 17-8-0 per mensem by the Director on the
Principal's recommendation in view of the additional outlay
incurred on extensions and improvements to the hostel building.
The principle on which the hostel rent came to be fixed will be
found explained in para 1 of Dr. Duncan's letter No. 8277, dated
28th July 1898, read in the C. C. quoted above.

3. The request for remission of rent is not in the
Principal's opinion and mine likely to recur.

Cur.No.1340, from the D.P.I., No.312/11 dated 7th June 1911.

Subject.

Remission of rent at the Brahman hostel attached to the Teachers' College, Saidapet.

Page 21 of the
Teachers' College Calendar
for 1911-12.

Q

R

There are three hostels attached to the Teachers' College - one for Smartha Brahmans, one for Vaishnava Brahmans and one for Native Christians. The Smartha Brahman hostel provides accommodation for 38 students each of whom pays a rent of eight annas per mensem for the accommodation provided for him. - Vide the D.P.I.'s letter No.2351 dated 5th March 1895 with G.O., No.180 Educational, dated 30th March 1896 and G.O., No.459 Educational, dated 4th August 1896. The amount of the hostel rent per mensem should therefore be Rs.19 and not Rs.17-8-0 as stated in the D.P.I.'s letter under reference.

2. During last year there were only 26 students in the hostel and the D.P.I. recommends that the rent payable by these students from the 9th January 1911 to 14th April 1911 may be remitted in consequence of the high cost of boarding which exceeded their stipend by Rs.1-8-0 per mensem. The amount involved being only ~~Rs.4-9-7~~ ^{Rs.4-9-7} is for consideration whether the Director's recommendation may be accepted. If his recommendation is accepted the draft placed below may issue.

$$13 \times 2\frac{1}{2} = 41\frac{3}{2}$$

TR
23-6-11

In the D.P.I.'s letter the hostel rent for the remission of which application is made is given as Rs. 17-8-0 per mensem, while according to Rule 15 of the hostel rules given in p. 81 of the Teachers' College

College Calendar, the monthly hostel rent is Rs 14-8-0. The number of students actually in the hostel is given as 26, and at the rate of ~~Rs~~ Rs 8 per head per month, which ^{is} the rent approved in G.O. No. 459 Es., dated 4th August 1896, the total monthly rent to be remitted would be only Rs 13. The D.P.G. may be requested to state which is the correct amount of rent ^{that} ~~which~~ has to be remitted.

14th M. It is an important principle that hostel charges and receipts should be required to balance, & I did not grant remissions of a reasonable charge for rent. Each student ought to pay his eight annas; but if there are less than 29 students, the full monthly rent of Rs 14-8-0 contemplated by Rule 12 at page 81 of the Calendar need not be received; but 26 students this plan means a remission of Rs 1-8-0.

The cost of boarding 26 boys ought not to average much more per head than when the number is 38. When inspecting the Kumbakonam hostel in 1900-6, I was struck by the fact that the dieting scale was much more

generous than the average boy exposed in his own home. They admitted this openly. I am convinced that it was possible to equalize receipts & charges in this case by the adoption of a scale of diet suited to the average condition in life & not based on the requirements (?) of the wealthiest section. Possibly the same could be done at Sandapat.

$\frac{8}{24}$ - 64

I do not understand the D.P.'s proposal.

What is the stipend of each pupil?

What is the risk charged to each pupil?

What is the boarding rate per each pupil?

The Hostel receipts have to pay apparently Rs 14/8 per month to the Govt. If 26 students pay only Rs 13. per man per m. Amos Rs. each for the risk to deficit is Rs 1/8 a month or for 3 months Rs 4/8.

Now the Director gets Rs 17/8 a month & does not understand -

Will Mr Stone kindly explain?

$\frac{14}{26}$ - 11.11

I regret that I cannot explain how the Rs. 17-8 is arrived at without reference to the Principal. I believe however that it is the rent due for the three ~~last~~ hostel buildings and represents the interest due on the sum spent on them by the P.W.D. In another connection the rent paid by each student in the J.C. hostel was stated to be about Rs. 55. There is accommodation for from 60-70 students in them so that Rs. 17-8 would probably average out to about Rs. 55. To be more precise - The P.W.D. receive rent for eleven months i.e. $280 \times 11 = 3080$
 $\frac{3080}{70} = 44$ For each of 70 students the maximum number, they pay for nine months in the year, the rest being vacation so that their rent is Rs. 55 nearly per annum. My idea that the P.W.D. get rent for eleven months is founded on Chs. Est. 318 of 26 May Q. The point of the papers under Chap II was to let the building out of the hands of the D.P.W. so that it might not be subject to their rule of rent being $\frac{1}{2}$ p.c. ^{or} cost. I submit that the concession asked for may be made without any violation of principle because stipendiary students in A.F.C.M. are in quite a different position to students paying their own way in

an arts college. A rent concession to the former is equivalent to an increase of student which no principle forbids.

As regards boarding rules - Cambridge has put his finger on the weak part in all hostel management. Hostels as run in this country are clubs and recreating seems to be the ~~best~~ evening part of club life. I am much ~~less~~ down to a much more elaborate dinner than I should think necessary in my own house. I do not know what the rules are in the U.S. hostels. They are arrived at by a diversion of expenses. They are less than in the Victoria Hotel, but probably higher than they ought to be. I don't think this is the student's fault. It is the operation of a national law equally present with that which starves boys in school boarding houses.

I think no importance need be attached to the mention of \$14.6 in the rules. The amount has probably been subject to increase and the rule ^{has} not been revised.

I beg to suggest that I not mention the remission of rent for the months in question without specifying the amount.

The information furnished by the Director of Public Instruction was called for at the instance of the Hon'ble Sir Murray Macmillan - vide the H.M.'s note on pages 3 and 7 ante.

There are in the Teachers' College hostel (1) a dining hall and (2) a set of living rooms. According to the D.P.I.'s second letter each student occupying a living room has to pay a rent of Rs. 13 per mensem in addition to a proportionate rent for the dining hall, which has been fixed by the D.P.I., at Rs. 17-8-0, and which is distributed among the students ^{living}messing in the hostel. The D.P.I.'s point seems to ~~be~~ that the rent for the dining hall for the last term should be remitted, the reason being that owing to a fall in the number of boarders and the high price of provisions, the charge on account of boarding and rent debitable to each student exceeded his stipend. ^{He says} ~~that~~ that the necessity for the remission will not recur. The proposal of the D.P.I., may be approved. The draft below is for approval.
