GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 4th July 1911.

No.—Ref. on Cur. 2920.

I have the honour to submit the enclosed plan and estimate for providing additional accommodation required for the All Saints' Training school for mistresses, Trichinopoly, and to recommend that a grant of Rs. 1,816 may be sanctioned under rule 51, chapter VIII of the Grant-in-aid Code.

2. From the enclosed copy of the Superintending Missionary's letter No. E. 152, dated 17th April 1911, it will be seen that the present accommodation is inadequate and that the building which is now used as mistresses' quarters is also to be adapted for school purposes. I think that Rs. 1,500 may be considered as the cost of the mistresses' quarters. The total cost of the whole scheme will therefore amount to Rs. 5,450 on which a third grant of Rs. 1,816 is recommended.

ENCLOSURE.

Letter—from C. M. C. BONE, Esq., Superintending Missionary, S.P.G. Mission, Trichinopoly.

To—the Director of Public Instruction, Madras.

Dated—the 17th April 1911.

No.—E. 152.

I have the honour to submit herewith, for your approval and sanction, plans and estimates for additional accommodation for the All Saints' Girls' Training school, Trichinopoly, with model school attached. In continuation of remarks in column 12 from appendix M, I beg to quote the inspection report of August 12, 1909 :—

"Quite inadequate, as there is only one room for five classes and the noise is such that the training students' work cannot be properly supervised."

From this you will see that I am asking for a grant to supply most urgently needed accommodation. The plan comprises a building of six class rooms and two halls, which will be connected with our other department, viz., the upper elementary school, which is a continuation of the model school and acts as a feeder to the training school. For this purpose the present bungalow for mistresses is being given up and adapted for school purposes and on consideration of this, I beg to request that you will be pleased to allow as compensation the sum of Rs. 500 (five hundred only) which is less than one-fourth of the original cost (see report of All Saints' training school which accompanies this) and which has also been extended and improved since date of purchase.

Order—No. 633, Educational, dated 8th September 1911.

The Government are pleased to sanction a grant not exceeding one-third of the actual expenditure, nor exceeding Rs. 1,518, towards the cost of providing additional accommodation required for the All Saints' Training school for mistresses, Trichinopoly, subject to the following conditions :—

- (1) that the work is completed before the 15th February 1912;
- (2) that a certificate of the actual expenditure incurred on the work is submitted before the 15th March 1912;
- (3) that all other conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.

3. The Government regret that they are unable to sanction a grant in respect of the mistresses' quarters which it is proposed to adapt for school purposes.
