Subject:- Application for Exemption from the Exempt
rules of V. Muthuswami Mudaligar

CURRENT FILE.

Application for exemption from the Examination Rules of an unpassed candidate for employment in the office of the Executive Engineer
Go downy Western Division

What steps have been taken to procure the services of a passed candidate and with what result.

As the appointment has rendered @ meritorious service in the Department and is able enough to discharge the duties, it is proposed to give him promotion in preference to passed men

Recommendation of the Head of the Department.

He was exempted from examination rules in P.O. No 66 R dated 23.12.07. He was employed for sometime in Navavalli Project in supervising dwelling slaying at field distributors. He is, therefore, a fact that the S.O. takes great & intelligent interest in his work and says that he is one of the best S.O. he has come across. This is just the man wanted in the Belas and I have no hesitation in recommending him for the post of Sub Engineer in grade

Prior to the reorganisation of the Irrigation Conservancy establishment, V. Muthusami Mudra was a permanent delta superintendent 3rd grade, on Rs 40. When the reorganisation was effected, he was exempted from the examination rules for appointment as a subverser, 2nd grade. The Supty. Engineer, T. Circle (Mr. H. C. Langston) strongly recommends that the subverser be further exempted for promotion to the 1st grade.

2. Attention is invited to the note in the case of subverser G. Padayappa Pillai of the T. Circle in the top file I. It is for consideration whether the application may be recommended to Educational.
