NOTES.

Budget debate - 5th April 1911

Census of fly shuttle looms

3
Subject.Census of fly-shuttle looms.

At the last budget debate held on the 5th April 1911, the Hon'ble Mr. P. T. Nagaraya Chetti requested that the Government ~~would~~ through their revenue officers ~~should~~ try to take a census of the fly-shuttle looms that are now working in this Presidency and also ~~to~~ get some information as to the economic condition of the weavers. The National Fund and Industrial Association took up this suggestion and addressed the Government on the subject. The question was referred to the Hon'ble Mr. Chatterton who considered that to entrust this work to revenue officers would involve an amount of labour disproportionate to its results and suggested that the weaving assistant, Mr. Subrahmanya Aiyar, might be deputed to visit all the large weaving centres mentioned by the Hon'ble Mr. T. Nagaraya Chetti in his speech and any others where the fly-shuttle looms might have been largely adopted, and to report upon the number of looms actually at work and upon the efficiency of the appliances in use. In Memorandum No. 1486-2, dated 3rd August 1911, the Director of Public Instruction has accordingly been asked whether the weaving assistant can be spared for the work. The receipt of the D. P. is reply may be awaited.
