From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,

(Designation) Acting Director of Public Instruction,

To The Secretary to the Government of Madras,

Through Educational Department.
The Accountant General/

I have the honour to request you will be so good as to obtain the sanction of Government for raising with effect from the 17th July 1911, the pay of the post of additional assistant Instructor in Surveying on ----- Rs. 75-2½-100 in the College of Engineering, to a scale of pay with a minimum of Rs. 105 and a maximum of Rs. 190 in the circumstances stated below.

2. The Principal reports that, owing chiefly to the larger number of students in the second division of the Lower subordinate class in the current session, - 56 as compared with 34 last session - it is necessary to fill up the post of additional assistant Instructor in Surveying on Rs. 75-2½-100 in the college which is at present vacant, and suggests that an officer from the

Public Works Department may be appointed to the place on conditions similar to those of the three additional Assistant Instructors now working in the College, with reference to G.O. No. 524, Educational, dated 17th September 1909. He says that a man from the Public Works Department of the grade Rs. 75-2½-100 now ~~xxxx~~ vacant in the College, will not be qualified to perform the duties that must be allowed to this Assistant and that, as the work has suffered all along owing to the incompetency of the Junior members of the staff, there is absolute need for appointing a moderately efficient man, such as a good upper subordinate of 8 or 9 years service.

3. The Chief Engineer whom I consulted as to whether a competent upper subordinate can be spared for the post, ^{is} states that he ~~is~~ willing to spare the services of such a person - the subordinate whom he proposes to send being at present an overseer 2nd grade on Rs. 80 who should be given also Presidency and House rent allowances amounting to Rs. 25 - and suggests that as the subordinate while in the College should be allowed his grade pay from time to time in the Public Works Department together with the Presidency and House rent allowances admissible to him if employed on departmental duty in the Presidency Town, provision should be made in the Proposition statement in respect of Rs 105 and a maximum salary to this post for a minimum salary of Rs. 190 i.e., the pay and allowances of a Supervisor second grade in the Presidency Town. This, I beg to state, is in accordance with the instructions contained in Government Memo No. 384-1, Educational dated 29th May 1911.

4. I submit the necessary proposition statement and request the favour of very early orders as the Principal states that the services of the instructor are required

LEGISLATIVE

NOTES.

C. No. 1966 From the D.P. 9 No. 3871/11, dated 19-7-1966.

SUBJECT. Enhancement of the salary of the additional assistant instructor in Surveying in the College of Engineering.

pages 1+2 of C.F.

The post of additional assistant instructor in surveying on Rs. 75-2 1/2-100 in the College of Engineering is now vacant. For the reasons given in paras. 2 and 3 of the Director's letter the Principal of the College proposes, and the D.P.I. supports the proposal, that an upper subordinate of the Public Works Department, an overseer in the second grade on a pay of Rs. 30 and an allowance (presidency and house rent) amounting to Rs. 25, should be appointed to the post. The immediate result of the proposal will be to raise the pay of the post from Rs. 75-2 1/2-100 to Rs. 105-5-100 per mensem. to Rs. 105-5-100.

2. The Government have decided that the subordinate staff of the College of Engineering should in future be recruited from the Public Works Department and have requested the Government of India to sanction the addition of eleven appointments to the cadre of the upper subordinate establishment of the Public Works Department - vide G.O. No. 414, Educational, dated 29th June 1911. The arrangement now proposed by the Director of Public Instruction will therefore ~~have~~ be in force only until the sanction of the Government of India is received to the above proposal. The arrangement will thus be temporary and may be sanctioned.

3. The difficulty is in regard to the mode of showing the pay of the Public Works Department upper subordinate in the proposition statement. If the pay is shown as a fixed amount say Rs. 105, it will not allow of the officer deputed continuing in the post, if he gets any promotion in the Public Works Department while he is acting in the college

college. To obviate this difficulty the Financial Department suggested that a minimum and a maximum scale of pay should be provided so as to allow the officer appointed to the college drawing within that maximum a salary equivalent to his pay and allowances in the Public Works Department. The Accountant General objected to this course and suggested the grant of personal allowances. The file on this subject is now with the Public Works Department having been sent to them u.o. for remarks.

4. It seems to be unnecessary to detain the present file, pending orders on the file now with the P.W.D. As the arrangement proposed by the D.P.I. is to be only temporary as explained in para.2 above, it may be approved, the pay of the appointment in question being raised from Rs 75-2½-100 to Rs 105.

5. The draft below is for approval. If approved it may be sent to the P.W.D. and Financial Departments for acceptance.

The overseer proposed to be sent to the College is Mr. R. S. Rajangam Aiyar, B.A., B.E., now in the Trichinopoly Sⁿ - Vide the notes with letter N^o. 572 D of 8.7.11. This overseer was in the 2nd grade ^(Pay Rs 80) when this letter to the S.P.D. was written, but he has ^{since} ~~been~~ been promoted with retrospective effect to overseer, 1st grade, Sub pro tem, (Pay Rs 100). His ~~for~~ salary while employed in the Presidency town will therefore be Rs 12.5 - (Pay Rs 100 + Presy allowance Rs 15 + House Rent Rs 10). The draft order should therefore ^{it seems} be altered accordingly. ^(Subject to) ~~with~~ this alteration, as shown in pencil, the draft order may be accepted in this dept.
