To

HIS EXCELLENCY THE GOVERNOR IN COUNCIL,

FORT ST. GEORGE, MADRAS.

(Through the Collector of Nellore).

I humbly beg to submit that I was brought to this district by the late Honourable. J. Grose Esq., when my brother T. Muthusawmy Modaliar, Tahsildar of Rapur Taluk died in Park Fire in December 1886. Mr. W.J. Underwood, the then Collector was pleased to appoint me as a clerk on Rs. 15/-

with an order that "I don't as a rule fill up appointments on the examination qualities of the candidates; however, I will give Rs. 15/- clerkship to T. Sadananda Modaliar, on account of his elders' meritorious services in the district, and a special consideration will be shown him if he proves himself useful".

From January 1887 to 1895 my services were appreciated by the Collector who recommended me for exemption from the Examination rules, but it was not then sanctioned; so the Collector was obliged to send me on deputation to B.M.S. Railway as a clerk on Rs. 25/-, the last appointment in the Engineer's Office, and I was promoted in that department from Rs. 25/- to Head clerk's place on Rs. 85/-.. After the

construction of the B.M.S. Railway was over I reverted to my permanent appointment in the Collector's Office.

The treasury officer was so well pleased with my work and with Engineer's certificates that he entrusted me with the 2nd accountant, treasury accountant, and stamps work. The Collector also was so well pleased with my work that he recommended me a second time to be exempted from the Examination rules and the Government were pleased to exempt me for

promotion in the Accounts Grade in the Nellore Collector's Office. During this time I was compelled to report some serious defects in the Office direct to T.D.C. under special orders on which some officers were dismissed and others reduced or suspended; and many irregularities were set right. In consequence the Head Accountants began to report against me with a view to injure my future prospects, but those reports were consigned to waste paper basket by my superiors. Then the Head Accountant brought a case against me with a view to bring me to trouble but the then Collector Mr. Butturworth held personal enquiry in the presence of T.D.C., and found me innocent and reduced the Head Accountant from Rs.85/- to 70/-, and suspended the accountant who threw the blame on me. Afterwards the Head Accountant tried to stop my promotion with the plea that the vacancy was in the clerical grade and that I was only eligible for promotion in the Accounts Grade. The present Huzoor Shiristadar was pleased to change the designation (every time I was promoted) to create a vacancy for me under the special orders of the Collector and thus I was promoted from Rs.15/- to 20/-; 20/- to 25/-; and 25/- to 30/- within 4 years after the receipt of the exemption and I beg to submit that all these arrangements were made by the Collector himself. My promotions were never left to the hands of Accountants. After I was promoted to Rs.30/- in the year 1905 the managers tried to oust me in different ways, but they could not succeed. Afterwards the Office made some arrangement called the seniority arrangement in which they ousted me by bringing one P. Raghavendra Rao to my acting Rs.30/- place, but I went and represented my case to Mr. Morris, the then Collector who at once sent for the Shiristadar and asked him to cancel the Gazette notice and put me for Rs.30/- and a revised Gazette notice was issued accordingly.

Under these circumstances, I beg to request that the Government may be moved to extend my exemption which is now limited to the Nellore District alone to other districts.

I beg to remain,

T. SADANANDA MUDALIAR.

T. Sadananda Mudaliar was studying in the Matriculation class of the Nellore Free Church Mission School in 1888 and he held a respectable position in the class and in the examinations held in the school. I am glad to certify that his character was good.

*Endorsement on a petition submitted to his Excellency from the Nellore Collectorate
on 6-2-95.*

T. Sadananda Mudaliar is an intelligent young man belonging to a respectable family. He would certainly have qualified himself had it not been for the unfortunate and calamitous demise of his brother which obliged him to discontinue his studies at school where he was highly spoken of. After he entered Government service he gave entire satisfaction to every officer under whom he had the fortune of serving both in the Taluq and Huzoor offices. As Dy. Cash Keeper in the late famine he did his work with credit. I have known him for the last 5½ years and I think he is a thoroughly honest, intelligent, hardworking, willing and obedient servant, richly deserving of encouragement. I commend for favorable consideration his prayer for exemption from examination rules.

Mr. T. Sadananda Mudaliar was 2nd Clerk in the Ongole Division of the Bezwada Madras Railway for over three years during which time he proved himself a very industrious and steady young man.

This is to certify that Mr. T. Sadananda Mudaliar is the 2nd Clerk of this Division. He has been employed in this Division since 1st October 1895 and also acted as Head Clerk on three occasions. I fully endorse the certificate and extract of letters given to him by Mr. P. Duncan. During the short time I was in charge of the Division he has given me entire satisfaction.

Try. Dy. Collector.

Endorsement on petition submitted to his Excellency from the Nellore Collectorate on 8-12-01.

The applicant is the 6th Vernacular Accountant on Rs. 15. As he is not qualified under the examination rules for any promotion being only a 2nd class Middle school candidate he is still in the Rs. 15 grade though he has put in nearly 15 years service having been appointed as permanent 3rd Gumastah of Udayagiri Taluq in April 1887. In 1899 permission was accorded to him to seek employment in the P. W. D. where he worked temporarily for nearly 4 years (October 95 to July 99) drawing salaries ranging from 30 to 75 all the officers under whom he has served speak very well of his industry, diligence and capability. The applicant belongs to a respectable family being the nephew of the Hon. P. R. and Mr. P. Rajh is his uncle.

4. During the short period I have been here I have found him very industrious and intelligent. He is one of the few clerks in whom I have any confidence. He was doing till very recently the Day Book work very creditably and I have now given him stamps work in the Treasury after C. Subhan Singh was transferred to Allur finding none in the Accountants Branch, at present capable of discharging that work to the satisfaction of the Cash Keeper. When some of the senior Accountants drawing salaries ranging from Rs. 45 to 20 went on leave he was deputed to this work without any remuneration. For instance when the 2nd Accountant Mr. Lazaro went on leave he was placed in charge of his work which he did very well. As I find him to be a very useful hand in the Accounts Branch I strongly recommend that his case may be represented to the Government and sanction obtained for promotion at least for Rs. 25 in the Accounts Branch.

From A. Butterworth Esqr., Collector of Nellore.

To The Secretary to Government (Revenue Department) Madras.

I have the honor to forward herewith copies of an application dated 6th December 01 from T. Sadananda Mudaliar, 6th Vernacular Accountant of my office and of my Treasury Deputy's endorsement thereon of the 8th idem and to request that Government will be pleased to consider the propriety of a relaxation of the examination rules being made in favor of the applicant so as to enable him to be promoted to the post of an Accountant on Rs. 25 when a suitable opportunity occurs.

2. The applicant was first entertained in public service in April 1887 as the permanent 3rd Gumastah of Udayagiri Taluq office on Rs. 15 at a time when unpassed men could be appointed to posts carrying salaries up to Rs. 20. He has put in a service of nearly 15 years. He is well spoken of by the Treasury Dy. Collector as to deserve in my opinion a special consideration and encouragement. I therefore request that Government will exempt the man from the operation of the rule laid down in G. O. dated 28th July 1889 No. 432 Education so as to enable him to be promoted when a man has proved himself deserving of promotion it seems expedient to supply an incentive to further good work by removing barrier to his advancement.

NOTES.

C. No. 2190 From the Board of Revenue No. 2272 Pt-11, dated 2-9-1907.

SUBJECT. Extension of the order exempting T. Sadanandam, clerk, Collector's office, Nellore, from the examination rules to other districts.

F. In G.O. 24 Sd. 17th January 1902 the Govt. sanctioned the permanent exemption of T. Sadanandam Mudali from the examination rules for employment as Accountant in the Collector's office, Nellore.

p. 3 of C.F.

2. He now requests that the exemption which is restricted to the Nellore District may be extended to other districts. He assigns no reason for the request, but the Dy. Collector in his endorsement observes that the clerk had no promotion during the last six years and that he eventually wants to try his luck elsewhere. The Collector of Nellore (Mr. Ramachandra Rao) supports the application, but the Board of Revenue makes no recommendation. It is not stated why the clerk had no promotion during the last six years, nor how he proposes to get over that difficulty in other districts. The application is clearly in the interests of the individual.

p. 2 of C.F.

p. 4 of C.F.

3. It is for consideration whether the application may be granted. The file may be sent to the Revenue dept. for remarks.

If he passes the Account test, higher grade he may hold the post of the Head Accountant of Rs 100 also in that office. He is now an accountant on Rs 30 and for his further promotion he will have to get exemption from the Revenue Inspector's training. It is for orders whether the applicants' request that the exemption already granted may be extended to other Districts will be supported. Mr. Ramachandra Rao's recommendation is not strong.
