To The Secretary to the Government of Madras,

Through Educational Department,
The Accountant-General.

I have the honour to request you will be so good as to obtain the sanction of Government for the employment of a demonstrator on Rs 50/- per mensem in the Government College, Rajahmundry for a period of one year from 1st July 1912.

2. In para 15 of the report of the University Commission on the working of the Rajahmundry College, 1910, it was remarked that when all the practical classes were in full working order, i.e. in July 1912 an additional demonstrator in Physics would be required. The Principal states that there will be 20 or 25 students in each of four University classes engaged in independent practical work and that it will be impossible for one lecturer to supervise this work more especially since students may enter the Intermediate classes who have never had the benefit of practical work in a laboratory. The practice prevailing in the Presidency College of appointing M.A. students as demonstrators will not be possible in the Rajahmundry College as there are no facilities there for

post graduate study. As it will be necessary in the interests of efficiency to appoint a science graduate to the place, I consider that a salary of Rs 50 should be offered, this being the minimum pay for which the services of graduates can be secured for temporary appointments of this kind.

3. I beg to submit the usual proposition statement and to request that permission be accorded to the inclusion of the necessary provision in the Budget Estimates for 1912-1913.

I have the honour to be,
