GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 7th July 1911.
No.—Ref. on Cur. 4005/10.

I have the honour to submit the enclosed plan with estimate, amounting to Rs. 4,124, for extending the building occupied by the Wesleyan Mission Girls' School, Woraiyur, Trichinopoly, and to recommend that under rule 51 of the Grant-in-Aid Code a grant of Rs. 1,374 may be sanctioned.

2. The proposed extension is necessary in view of the increase in the strength of the school.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 5th September 1911.
No.—Ref. on C. 4005/10.

I have the honour to request that early orders of Government may be obtained on this office letter R.O.C. No. 4005/10, dated 7th July 1911, recommending a grant towards the cost of extending the building occupied by the Wesleyan Mission Girls' School, Woraiyur, Trichinopoly.

III

Note by the Chief Engineer, Public Works Department, dated
6th September 1911.

The Director of Public Instruction submits in connection with an application for a grant-in-aid an estimate, amounting to Rs. 4,124, and three plans for extending the building occupied by the Wesleyan Mission Girls' School, Woraiyur, Trichinopoly.

The plans and estimates have been scrutinized in the Chief Engineer's office and the spacing of the rafters and their sections have been altered as per Circular Memorandum No. 234 C., dated 9th January 1903.

The level of the eaves of the covered passage has been changed so as to be on the same level as the eaves of the existing school block.

No information is afforded as to the nature of the soil and sub-soil. The estimate provides for a 6 feet depth of foundation, which appears to be extravagant, and the Superintending Engineer, VI Circle, should be referred to as to the necessity for providing such deep foundations before they are laid.

With these remarks the estimate as altered in the Chief Engineer's office amounting to Rs. 4,260 is recommended for sanction.

C. A. SMITH,
Chief Engineer.

Order—No. 693, Educational, dated 29th September 1911.

The Government are pleased to sanction a grant not exceeding one-third of the actual expenditure, nor exceeding Rs. 1,420, towards the cost of extending the building occupied by the Wesleyan Mission Girls' School, Woraiyur, Trichinopoly district, subject to the following conditions:—

(1) That in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted;

(2) that the work is completed before the 31st March 1912;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 15th April 1912;

(4) that all other conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.

(True Extract.)

L. DAVIDSON,
Ag. Secretary to Government.

To the Director of Public Instruction, with Chief Engineer's
note and with plans and estimates.
 „ Accountant-General.
