G.O. No. 626, Educational, dated 7th September 1911.

ABSTRACT.—Informing the Director of Public Instruction that, in addition to the one lakh of medallions already indented for, the Government have decided to indent for seventy-five thousand medallions for distribution in educational institutions in this Presidency.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.S., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 28th September 1911.

No.—Ref. on Car. 4106.

With reference to the correspondence ending with G.O. No. 626, Educational, dated 7th September 1911, I have the honour to state that 1,56,415 medallions would be required for distribution under the terms of the above Government Order—1,05,264 for boys' and 51,151 for girls' schools, as will be observed from the enclosed statement furnishing particulars as to the number and classes of institutions eligible for the award. The total number of medallions available for award being 1,66,080, there will be a surplus of 9,665 medallions, but considering that the figures relating to the year 1909-10 have been taken as the basis for calculation, except in the case of industrial schools, it is likely that the excess number will also be needed with reference to the increase in the number of institutions and scholars which the statistics of 1910-11 might reveal before the actual distribution is made. In any case, I anticipate little difficulty in utilizing the full number of medallions proposed to be placed at the disposal of this department by awarding the excess number to the top girl in the infant standards of girls' schools or otherwise.

2. I beg to point out that girls in Koran schools have also been included in the distribution scheme as the Government Order referred to above contemplates the exclusion of the Koran schools for boys only.
