NOTES CONNECTED WITH G.O. No. 711, EDUCATIONAL,

*From the Commissioner for Government Examinations, dated 23rd August 1911,
No. 581.*

It does not appear that the draft notification submitted by the Commissioner is in accordance with the decision of Government.

2. From the proposition statement sanctioned in G.O. No. 956, Judicial, dated 21st June 1910, it is observed that the post of manager on Rs. 150—10—200 and that of the clerk on Rs. 60 in the office of the Criminal Investigation Department have been abolished, the Government having decided that those places should for the future be filled by Inspectors of Police. The alteration required in the Public Service Notification consequent on the abolition of the post of manager is the omission of item (6) under "J. Police Department." Item 13 against "Account tests, higher grade" and item 4 against "Criminal Judicial test, higher grade" in the Special tests notification have also to be omitted. Inspectors of Police are required to pass only the Criminal Judicial test, lower grade, and the Departmental test. According to the alteration suggested by the Commissioner an Inspector appointed in place of the manager will have to pass the Criminal Judicial test, higher grade, Account test, higher grade, and the Departmental test. The Judicial Department may be requested to state whether this is the intention of Government.

3. It is not also clear whether the power of exemption granted to the Inspector-General in G.O. No. 810, Judicial, dated 17th May 1911, relates only to the present incumbents of the posts as stated by the Commissioner in paragraph 2 of his letter or whether it is a general one. In the latter case articles 4 and 5 of the Public Service Notification should also be amended. The remarks of the Judicial Department may be obtained on this point also.

Thirteen clerks	..	..

Public Service Notification corrected up to March 1910. The Public Service Notification required the following educational qualifications in respect of these :—

Based on G.O. No. 666, Educational, dated 13th October 1906.

A	} Manager in the office of the Deputy Inspector-General, Criminal Investigation Department and Railways including the Finger Print Bureau.	Criminal Judicial test, higher, Account test, higher and Departmental test.

Based on G.O. No. 673, Educational, dated 21st October 1906.

}	All clerks and others on Rs. 50 and upwards in the offices of the Deputy Inspector-General, Criminal Investigation Department and Railways including the Finger Print Bureau.	Account test, higher and Departmental test.

2. Though the Finger Print Bureau has a separate manager on Rs. 100—5—15, the manager of the Criminal Investigation Department office on Rs. 150—200 seems to be the manager of the entire office and the latter officer is the officer mentioned in the Public Service Notification at A above. That being the case, the so-called manager, Finger Print Bureau, is subject only to the second rule shown above and has to pass only the Account test, higher and the Departmental test.

3. In G.O. No. 956, Judicial, dated 21st June 1910, the appointments of manager, clerk and typist of the Special Branch were converted into two Inspectors' posts and a Sergeant's. In April 1911, the Inspector-General of Police requested that the Inspector-manager and the Inspector-clerk who as Inspectors had to pass in Criminal lower, the Departmental test and a vernacular test might be exempted from all educational qualifications. The Government did not agree and held that the two Inspectors should not be exempted, but that, if the Inspector-General found it difficult to obtain suitable qualified candidates, he might exempt them.

4. The Commissioner for Government Examinations has submitted draft amendments of the Public Service and Special Test notifications to give effect to this order. The amendment is to the effect that, at A above, "The manager, Finger Print Bureau," be substituted for the existing entry. The Educational Department say that the amendment is not correct and that, what is wanted is to omit A altogether. The manager of the old type having disappeared, the entry in regard to his qualifications has also to be removed. The new Inspector-manager will be subject to the rules about Inspectors and will have to pass the tests, Criminal lower, Departmental test and a vernacular test. Educational is therefore right. As the manager, Finger Print Bureau, is not included under A above, the substitution of his name at A as

suggested by the Commissioner is in any case incorrect. For orders whether Judicial will advise accordingly or whether the Inspector-General should be asked to state precisely what the practice is.

C. W. E. COTTON.

5. As to the question raised in paragraph 3 of the Educational note, the intention of G.O. No. 810, Judicial, dated 17th May 1911, seems to have been general and not to limit the Inspector-General's powers of exemption to the existing incumbents. Articles 4 and 5 of the Public Service Notification would therefore seem to require amendment.

C.W.E.C.

6. Corresponding amendments are also required in the Special Test Notification.

P.G.S.S.—18-9-11.

V.K.M.—19-9-11.

(i) The Commissioner's draft is incorrect.

(ii) The exemption is general and not confined to existing incumbents.

In another file it has been decided to omit clause (8) of article 5 of the Public Service Notification and to renumber clause (9) as (8). The Government Order on that subject will probably issue before the order in this file issues. In that case the proposed clause (10) of article 5 will have to be numbered as clause (9).

2. The draft may otherwise be, it is submitted, accepted in Judicial.
