Memorial—from the Muhammadan inhabitants of Porto Novo, South Arcot district.

To—His Excellency the Governor in Council, Fort St. George (through the Collector of South Arcot).

Dated—the 7th March 1911.

MOST RESPECTFULLY SHOWETH.—We the Muhammadan inhabitants of Porto Novo, South Arcot district, most humbly and respectfully beg to approach your Excellency for the retention of the Government Muhammadan Girls' school of the locality which is under orders of transfer to Tindivanam owing to the fall of strength of the girls from 100 to 30.

In this connection, we most humbly beg to submit, that the reason of such a sudden fall within the course of ten months has not been enquired into by the inspecting agencies before the proposal of transfer is made. The absence of an enquiry into the cause of such a fall is solely to be attributed to our misfortune. It is now found a high time for us to volunteer ourselves such reasons which reduced the school to the present miserable condition and also to point out that the same is never due to the averse of Muhammadans to this kind of secular education which is actually a boon to us, rendered by our benign Government. The reasons of downfall in strength—

(1) The nomination of some mistresses in the school, whose moral characters were far from satisfactory, as to entrust our children to their care. The fact of the statement has also been proved in the case of one, whose service from the school has very lately been dispensed with.

(2) The absence of the mistress S. Nasibabee, who started the school and who brought the same to a very good condition so as to infuse into the minds of Muhammadan inhabitants, the importance of education, owing to the cause of her undergoing training subject to the orders of the higher authorities.

(3) The town Porto Novo is in no way inferior to Tindivanam or any parts of the South Arcot district, in point of Muhammadan population and its civilisation.

Further we humbly beg to venture to submit that our Government Muhammadan Girls' school of the locality is quite necessary, in consideration of the facts—

(1) one of the important Muhammadan centres in the district,

(2) populated by some respectable Muhammadan merchants and landholders, who pay annually a large sum to Government in the shape of land-cess and income-taxes.

In the circumstances submitted above, our Muhammadan Girls' school of the locality, which is actually a boon bestowed upon us, by our benevolent Government is not to be deprived of from our midst, before a chance is allowed to us to try the school under a trained Muhammadan lady who is free from moral defect, and if practicable under the very same mistress S. Nasibabee who was the source of improvement of our local school and who is now much better qualified for the position, by having undergone a course of training in the Government Hobart Training School, Royapetta, Madras.

In conclusion, we most humbly beg to approach your Excellency with our prayer to order the retention of our local Muhammadan Girls' school for the benefit of our children, which will be considered as a mark of remembrance of your Excellency's recent visit to our taluk Chidambaram, in the South Arcot district, at least as a trial for a further year under a recently trained mistress and then to decide the question of the transfer of the school, if necessary.

Encl. R.O.C. No. 12, dated 10th March 1911.

Submitted.

I need scarcely say that the education of the Mussalman women, who, owing to causes partly social and partly religious, are involved in ignorance and fanaticism deserves the favourable consideration of Government. Porto Novo is a great Muhammadan centre and the Government Girls' school there was, to my knowledge, most flourishing about 10 years ago. The fall in its strength from 100 to 30 must obviously be due to some special cause. It cannot be that the Mussalmans of Porto Novo, who were once disposed to send their girls freely to the school, suddenly changed their minds for no valid reason and withheld them from the school. I believe that the unpopularity of the school must be due to the causes ascribed in the memorial. The Muhammadan mistresses supplied by the Hobart Girls' school lack the power of management and this I found to be the case in connection with the Muhammadan

Girls' school sanctioned for Mangalore after His Excellency's visit to the South Canara district. As soon as the school was established, it became very popular with the Mappilla women. Two Muhammadan mistresses were appointed by the Inspector of Schools, Miss Lynch, but they soon began to quarrel among themselves and the Mappilla parents naturally thought it most undesirable to send their girls to the school. As a Muhammadan, I was disposed to take some interest in the school and I suggested to Miss Lynch that the Mussalman headmistress should be replaced by a Hindu or a Christian headmistress. My recommendation was accepted and a Christian mistress was appointed, who was not only able to control the assistant Muhammadan mistresses but also made the school most popular with the Mappillas. In the case of the Porto Novo school, a similar remedy is necessary and I beg to suggest that the school at Porto Novo may not be closed. Porto Novo is the chief Mussalman centre in the district and the population mostly consists of Marakayar Mussalmans whose women are the most ignorant in the Muhammadan community.

Collector.

No.—Ref. on Cur. 3997 of 1909.

With reference to your reminder, dated 7th April 1911, calling for an early reply to Government Endorsement No. 547-1, Educational, dated 17th March 1911, regarding the memorial from the inhabitants of Porto Novo protesting against the closing of the Government Muhammadan Girls' School at Porto Novo, I have the honour to state that the matter is still under correspondence with the Inspector of Girls' Schools, Central Circle, who on a reconsideration of the position proposes to give the school a further trial for a year and that a reply will be submitted on receipt of further information called for from her. Meanwhile the transfer of the school to Tindivanam has not been given effect to.

VI

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 31st August 1911.

No.—Ref. on Cur. 3997 of 1909.

In returning the papers referred to me for remarks with Government Endorsement No. 547, Educational, dated 17th March 1911, I have the honour to state that the Inspector of Girls' Schools, Central Circle, reports that the leading members of

the Muhammadan community of Porto Novo seem now to be very anxious for the retention of the Government Girls' school in the town, that they have promised to do all in their power to make it a success if it is continued under departmental management and is removed to the Muhammadan quarter of the town, and that they have also selected two houses, one of which has been found by the Sub-Assistant, South Arcot-Tanjore girls' range, to be suitable for the school. She, therefore, proposes that the school be retained under departmental management, on trial for a year, with two teachers on Rs. 12 and 10 which, it is considered, will be sufficient for the present strength, viz., 31 pupils in four standards and states that she has every hope of securing a good teacher for the post of headmistress, should the retention of the school be sanctioned.

2. In these circumstances I beg to recommend that the Porto Novo Girls' School be retained under departmental management with a staff of two teachers on Rs. 12 and 10, and that the order passed in G.O. No. 122, Educational, dated 1st March 1911, to close it, be cancelled, as it has not been given effect to as reported in my letter R.C. No. 3997/09, dated 20th April 1911, and as I am informed that the Accountant-General has objected to pass the salary bills of the establishment on the strength of the above order. The revised scale of staff recommended for this school should have effect only from the date of conversion of the Anjuman Girls' School, Tindivanam, into a Government Girls' school. The Inspector will be requested to submit a report after the lapse of a year on the working of the school and the necessity for its further continuance.

3. The sanctioned scale of establishment for the Porto Novo Girls' School consists of three teachers on Rs. 20, 15 and 12 and a peon on Rs. 5 and if my proposal in paragraph 2 above is approved there will be a saving of Rs. 30 which may be utilized towards the provincialization of the Anjuman Girls' School, Tindivanam.

4. As regards the latter school, the Inspector reports that at her inspection there were 63 pupils on the rolls, in four standards and that the local Muhammadan community evince a keen interest in their school and wish to place it under Government management as they are unable to develop it any further owing to financial difficulties.

I therefore recommend that this school be taken under departmental management as already proposed, and worked with effect from 1st October 1911, with the scale of establishment sanctioned for it in G.O. No. 122, Educational, dated 1st March 1911, viz., two teachers on Rs. 15 and 12 and a peon on Rs. 5. The additional cost involved by these proposals will thus be only Rs. 2.

5. I submit herewith a revised proposition statement together with a re-appropriation statement for favour of sanction.

From the Private Secretary to His Excellency the Governor, dated
7th March 1911, No. 76.

In G.O. No. 122, Educational, dated 1st March 1911, the Government approved the proposal of the Director of Public Instruction to close the Government Muhammadan girls' school at Porto Novo with effect from 1st April 1911 and to take over the Anjuman girls' school at Tindivanam under departmental management. The grounds on which the proposal was made are detailed in paragraph 2 of the Director's letter read in that Government Order.

2. The Muhammadan inhabitants of the place now request that the school should be retained at Porto Novo "at least for another year under a recently trained mistress and then decide the question of the transfer of the school, if necessary." The Collector of South Arcot (Mr. Azizuddin Sahib Bahadur) believes that the unpopularity of the school was due to the causes mentioned in the memorial and suggests that the school at Porto Novo should not be closed.

3. The school was closed because it became unpopular, and that it was unpopular is admitted both by the memorialists and by the Collector. The Inspectress of Girls' schools ascribed its unpopularity to the indifference of the residents of Porto Novo and their inability to appreciate the benefits of educating their girls.

The memorialists, on the other hand, ascribe the unpopularity of the school to its unsatisfactory working. The Collector agrees with the memorialists. It is submitted that the remarks of the Director of Public Instruction may be obtained in the first instance.

can be given effect to only from the date of the conversion of the Anjuman girls' school, Tindivanam, into a Government girls' school. The date for the latter, being proposed to be fixed at the 1st October 1911, it appears to be necessary to specifically sanction the retention of the existing establishment—item (a) above—from 1st April 1911† to 1st October 1911, and an addition has to be made to paragraph 1 of the draft order.
