ENCLOSURES.

(i)

Despatch—from the Government of India, Finance Department (Salaries, Establishment, etc., Minor Departments).

To—His Majesty's Secretary of State for India.

Dated—Simla, the 29th June 1911.

No.—153.

We have the honour to address your Lordship in connection with the proposed grant of an allowance to the Superintendent of the Government Museum, Madras, who has been vested with the control of the marine aquarium in addition to his own duties. This aquarium has recently been established as an extension of the museum. It serves educational and scientific purposes and also as an exhibition for the public. It has proved popular and in 1910 the receipts from admission money (which is credited into the treasury) exceeded the working expenses by some Rs. 2,960.

2. The Government of Madras have recommended in their letter of the 7th February 1911 (copy enclosed) that the Superintendent of the Museum (whose pay is Rs. 500 rising to Rs. 800) should be given a conveyance allowance of Rs. 35 a month, since the aquarium is situated more than two miles from the museum, where he resides. We agree that the extra work imposed upon him and the fact that he has to pay frequent visits to an institution situated at some distance from the scene of his proper duties entitle him to some remuneration. We are however averse to the granting of conveyance allowances save under the most exceptional circumstances. And we should prefer that the extra remuneration be given on the score of additional work and that it take the form of a local allowance. We therefore recommend that a local allowance of Rs. 35 a month be given to the Superintendent while he remains in charge of the aquarium.

(ii)

Having considered in Council the letter of your Excellency's Government in the Finance Department No. 153, dated the 29th June last, I sanction your proposal for the grant of a local allowance of Rs. 35 a month to the Superintendent of the Government Museum, Madras, for so long as he remains in charge of the marine aquarium.

Enclosure of despatch No. 153 of 1911.

No. 78, dated Fort Saint George, 7th February 1911.

From—The HON'BLE MR. L. DAVIDSON, I.C.S., Acting Secretary to the Government of Madras, Educational Department,

To—The Secretary to the Government of India, Department of Education.

A Marine Aquarium has recently been established in Madras not only for educational and scientific purposes as an extension of the Museum and an annexe to the Presidency College, but also as an exhibition open to the public. The Aquarium was opened only on the 21st October 1909, but it has already proved itself to be both popular and attractive. In 1910 it was visited by 170,025 persons, and Rs. 5,900 were collected in the shape of admission fees, while the cost of its maintenance amounted to Rs. 3,000 approximately. The control of the Aquarium has been vested in the Superintendent, Government Museum, assisted by a committee of gentlemen, and I am now to ask that the Government of India may be pleased to sanction under Article 1075 of the Civil Service Regulations the grant of a conveyance allowance to this officer. I am to explain that in order effectively to discharge his duties in connection with the aquarium the Superintendent has to make frequent visits to it. It is situated on the Marina at a distance of more than two miles from the Museum where he resides, and this Government consider that he is fairly entitled to a conveyance allowance sufficient to reimburse him the cost of these journeys. They are of opinion that an allowance of Rs. 35 per mensem will cover these charges on the average, and I am to express the hope that the Government of India will sanction the grant to the Superintendent of a conveyance allowance of this amount.
