To The Secretary to the Government of Madras,

Educational Department.

Sir,

I have the honour to request that the sanction of Government may, under the following circumstances, be obtained for the expenditure of Rs 900, incurred by me on account of linen lined covers for use in connection with the Secondary School Leaving Certificate Examination of March 1911.

2. For the purpose of despatching the answer books of candidates in connection with the Special Test and Upper Secondary Examinations, it has been usual to order a supply of these covers at Madras and to send the required number to the several Examination centres.

The use of these covers has been found to be an advantage; and the same practice was followed in the case of the last Secondary School-leaving Certificate Examination.

The Accountant-General in passing the Contingent bill, held under objection the item relating to the covers in question and wanted to know the purpose for which and the authority under which stationery was purchased locally. He was informed of the purpose and also that the purchase of stationery for Examination purposes was permitted by Government and that charges of the kind were usually admitted whether incurred by the Commissioner or by Superintendents of Examinations. The Accountant-General, however, states in reply that, as the purchase in question is not covered by G.O. N. 168,

Educational

Educational, date 20th March 1897, under which Superintendents of examinations are authorized to purchase locally the stationery required for use at the examinations, the sanction of Government is necessary for the charge being admitted.

The Accountant-General, as it would appear, would have admitted the charge if it had been incurred by the Superintendents of examinations at the different centres. But, if small supplies had been ordered by Superintendents locally at each centre, the total charges would have been far in excess of Rs 900 and therefore, in the interests of economy, this office ordered the supply and sent the required number of covers to each centre along with the articles which had been obtained from the Stationery office, and with the answer books, etc.

Linem-lined covers of the size required for examination purposes - $15\frac{1}{2} \times 11$ " are not available in the Stationery office, and the Superintendent of Stationery whom I addressed on the subject states that they cannot be

stocked

Stocked and supplied without the special orders of Government.

3. A Supply of Book-binder's cloth is required in connection with the binding of Secondary School-Leaving Certificate forms and this also will not be supplied by the Stationery office without the sanction of Government.

4. I beg to request accordingly that the sanction of Government may be obtained for the expenditure of Rs 900 already incurred and that the Superintendent of Stationery may be authorized to arrange for the future supply of linen-lined covers and book-binder's cloth (all colours).

I have the honour to be,

Sir,

Your most obedient servant,

G. M. M. M. M.

for Acting Commissioner.
