Station Madras

Dated the 23rd September 191¹

From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,

(Designation) Ag. Director of Public Instruction,

To The Secretary to the Government of Madras,

Educational Department.

Sr,

It has just been brought to my notice that the Inspector of European and Training Schools has been purchasing the different kinds of stationery articles required for the Preliminary Examination for Teachers' certificates and the European school and Scholarship Examinations from a private firm in the city and supplying the articles through the agency of that firm to the various centres where the Examinations in question are conducted. When the contingent bills for Rs. 2144-6-9 being the cost of the stationery articles supplied on account of the Examinations held in 1910 were presented for payment, the Accountant General observed that the special sanction of Government was necessary for admitting the expenditure in question, because the procedure which the Inspector had adopted was not in conformity with that sanctioned in G. O. 407 Financial dated 29th April 1898. Neither the G.O. nor Dr. Duncan's letter read

therein leaves room for anything like misapprehension and therefore the procedure adopted by the Inspector is no doubt irregular. But the Inspector says that stationery articles of uniform quality and size such as Drawing paper, Needlework materials, answer books with squared paper could not be had at all the centres and that therefore the procedure in G. O. No. 407 Financial dated 29th April 1898 could not be followed in practice.

I have therefore the honour to request that in the circumstances explained the Government will be pleased to approve the Inspector's action. The favour of very early orders is requested.

I have the honour to be,

Sir,

Your most obedient servant,

R. G. Arive.

For Director of Public Instruction.

In October 1897 the Govt. decided that ^{the} all officers of the Educational Department should, from the 1st April 1898, obtain all articles of stationery ~~from~~ by indent on the Superintendent of Stationery.

2. In February 1898 the Director of Public Instruction reported that in regard to articles required for the teachers' certificate examinations and also entrance examinations of the College of Engineering, which were held in various centres throughout the Presidency, including Madras, the practice hitherto then had been to permit the Superintendents ^{i.e. at each centre} to purchase the necessary articles locally, & that this procedure was deemed to him not only more convenient, but also less expensive, than if the articles were obtained on indent from the Superintendent of Stationery and transmitted to the Superintendent concerned. He also stated that if the latter procedure were adopted there ^{would} be the additional difficulty of ascertaining with any near approach to accuracy the exact quantity of each article required for each centre, as this depended ^{upon} upon the number of candidates appearing at each

each centre.

3. The Govt. then at the recommendation^x of the Superintendent of Stationery directed[®] that stationery required for the teachers' Certificate examination and for the entrance examination of the College of Engineering should be purchased locally (that is, at each centre) by the officers concerned, the bills being forwarded to the Superintendent of Stationery for adjustment after Counter-Signature by the D.P.I.

4. The Accountant-General's objection referred to in the present letter from the Director^{gth} is that the Inspector of European and Training Schools purchased the articles of stationery in question from a firm in the Madras City in contravention of the order of 1898. It is stated that the reason for the purchase in question was that stationery articles of uniform quality and size such as drawing paper, Needle work materials, answer books, with square paper could not be had at all the centres. It is submitted that if it ~~was~~^{is} convenient for the Inspector to obtain these from a firm in the Madras City they ^{can} ~~could~~ as well be obtained from the Stationery office and transmitted to the Superintendent concerned.
