1. The Government of India require an Inspector of European Schools and a Circle Inspector for the Madras Presidency.
2. Candidates should not be more than about 30 years of age, and should be graduates in honours of some University of the United Kingdom.

The salary attached to the posts is Rs. 500 a month. The exchange value of the rupee is practically 1s. 4d. If the service of the candidates appointed is thoroughly approved, there will be a prospect of future selection to fill either a temporary or a permanent appointment.
4. The candidates selected for the appointments will be examined by the Medical Board of the India Office. If the result of this examination is satisfactory, they will be required to sign an agreement to serve the Government of India for the period of their engagements. For the purposes of the inspection of other schools for boys, the Presidency is divided into eight circles, each containing an integral number of revenue districts varying from two to four, according to the density of the population and the stage of its educational development. Each circle forms the charge of an Inspector who is responsible for the general supervision of boys' education in his circle, and in particular exercises direct supervision over secondary education. Each Circle Inspector has under him a certain number of Assistant and Sub-Assistant Inspectors and Supervisors of Primary Schools, each in charge of a territorial division of his own.

Temporary Circle Inspector of Schools, Madras.

The candidate whose name is given below has been interviewed by the Selection Committee. Further details concerning him will be found in the accompanying application form.

Name.—William Hervey Allen Whitworth.

Address.—Hanworth House, Holt, Norfolk.

Age.—Twenty-four years (24) (date of birth—24th February 1887).

Education.—Westminster School, 1900—1905:—

King's Scholar.

Westminster Exhibition tenable at Trinity College, Cambridge.

Trinity College, Cambridge, 1905—1909:—

Sizarship.

Lees Knowles Exhibition.

Bracketed First Senior Optime in the Mathematical Tripos.

B. A. Degree.

Experience.—Gresham's School, Holt, Norfolk—September 1909 to the present time.

Assistant Mathematical Master.

Various holiday tutorships in private families.

Remarks.—Mr. Whitworth is 24 years of age and gives one the impression of being a pleasant gentlemanly young fellow. He speaks clearly and well.

Mr. Whitworth was educated at Westminster, from which he went with a Westminster Exhibition to Trinity College, Cambridge. He obtained a Sizarship and the Lees Knowles Exhibition in 1908 and was in the same year bracketed as First Senior Optime in the Mathematical Tripos.

Since September 1909, Mr. Whitworth has been working as Assistant Mathematical Master at Gresham's School, Holt. The Headmaster speaks highly of his work and describes Mr. Whitworth as wide-minded and generous. His Majesty's Inspector who visits Gresham's School also speaks highly of Mr. Whitworth and describes him as of the right stamp for the post.

Mr. Whitworth has a considerable number of connections in India. The late Archdeacon Elwes of Madras was his uncle.

Mr. Whitworth is young and to some extent inexperienced, but the post for which he is being recommended is a temporary one and during his incumbency of it there will be an opportunity of testing his capacity. He is certainly of the right type for work in India. He will probably be acceptable both to Indians and Europeans, and there seems to be every ground for anticipating that he would prove a useful member of an Education department in India.

Mr. Whitworth is unmarried.

3rd July 1911.

H.F.H.

Indian and Colonial appointments Nos. 185, 186—Mr. W. H. A. Whitworth.

Mr. Whitworth is emphatically a gentleman, his manner is good and he is popular.

The Headmaster speaks of him as a worker, very systematic and really interested in, and most reliable in carrying out, what he undertakes.

He strikes one as young, but also as of the right stamp for the post—just the sort of man who turns out well in, for instance, the Indian Civil Service.

I think he would take to administrative work well and that he would be quite competent for inspectorial duties.

10th June 1910.

D. R. SMITH,
Director of Special Inquiries and Reports.

*Testimonial from Rev. Dr. Barnes, F. R. S., Fellow and Tutor of
Trinity College, Cambridge.*

Mr. W. H. A. Whitworth came to this College in 1905, from Westminster. In June 1906 he obtained a second class in the annual College examination in Mathematics. In June 1907 he was placed in the first class in the corresponding examination. In March 1908 he was elected to an emolument which was the equivalent of the present Senior Scholarship of the College. In June 1908 Mr. Whitworth was bracketed First Senior Optime in Part I of the Mathematical Tripos. During the whole of Mr. Whitworth's period of residence, I knew him first as lecturer and afterwards as tutor. His character and conduct were excellent. His record shows that he possesses mathematical ability of a high order. His personality is most attractive and I understand that during the two years he has been at Gresham's School, Holt, he has proved a capable and effective teacher. Should the Indian Education Department offer Mr. Whitworth one of their posts they will secure an effective and energetic servant, who can be trusted loyally to develop the work committed to his charge.

April 1911.

E. W. BARNES.

*Testimonial from General Sir G. Digby Barker, late Commander-in-Chief,
Bermuda.*

Having known Mr. W. H. Allen Whitworth for many years, I am able to certify with absolute confidence to his being a gentleman of integrity, sobriety and very high principle, who may be thoroughly relied on to carry out any work with zeal and efficiency.

April 1911.

G. DIGBY BARKER.

*Testimonial from Rev. H. F. B. Mackay, Vicar of All Saints,
Margaret Street, London, W.*

It is a great pleasure to me to say that I have known Mr. W. H. Allen Whitworth all his life and that in every respect he is a man in whom the highest confidence can be placed.

H. F. B. MACKAY.

GRESHAM'S SCHOOL, HOLT, NORFOLK,

April 24th.

DEAR SIR,

Mr. W. H. Allen Whitworth tells me that he is seeking a post in the Indian Education Department and has asked me to write on his behalf.

He has been on my staff for two years. He is a splendid worker—alert and very intelligent.

I shall be very sorry to lose him, for he has become a valuable master and is, in addition, a very pleasant colleague, ready to receive advice and act on it.

He is active. Industry enables him to go through the written and examination work with speed and sureness.

He has a very good conscience and is a man to be relied on in every way.

He comes of excellent stock. His father was Rector of All Saints, Margaret Street. He was at Westminster and Trinity, Cambridge.

If I can write further, I shall be glad to do so.

Yours, etc.,
G. W. S. HOWSON,
Headmaster of Gresham's School.

GRESHAM'S SCHOOL, HOLT, NORFOLK,
June 11th 1911.

DEAR SIR,

[*Indian Educational appointment—Candidature of W. H. Allen Whitworth.*]

In answer to your letter of the 9th, I have given the matter careful consideration and have made enquiries from my colleagues. I now write to say that I believe that Mr. Whitworth would get on with his colleagues and be liked by them.

He is such a good fellow and comes of such good stock that he would be appreciated both by Europeans and Indians.

He is wide-minded and generous and therefore would not make the blunder of looking upon the Indian as a "nigger."

He is a good tennis player and takes his share in all games.

He has a certain shyness which savours of modesty, but which prevents immediate recognition of his better qualities and seems at first to keep him from seeming so capable.

At least this is my impression of the fact that whilst some of my colleagues saw little of him at first, but are seeing more of him now.

I shall most certainly be glad if he stays on my staff.

Yours, etc.,

G. W. S. HOWSON,
Headmaster.
