To,
The Secretary to Government,
Educational Department,
Coatagamund.

Petitioner, humbly requesting to be informed whether he is eligible for an appointment in Government Service, the sanctioned pay of which exceeds Rs. 20/- per mensem according to Article I of the Public Service Notification of 16th May 1911 which states that persons who are Natives of India & who have not attended any Secondary School if they satisfy Government that they have received an education up to the standards of late Upper Secondary or Matriculation examinations and whether he can appear for any of the Special Test Examinations revised up to the 30th April 1911.

Respected Sir,

I most humbly beg to request your goodness to inform me whether I am eligible for any appointment in Government Service, the sanctioned pay of which exceeds Rs. 20/- per mensem according to Article I of the Public Service Notification in the Fort Saint George Gazette Part I, dated 16th May 1911, page 301 which states "that persons not being Natives of India and who have passed no public examination and who are Natives of India and who have not attended any Secondary School will be eligible if they satisfy Government that they have received an education at least up to the standards of the late Upper Secondary Examination or Matriculation Examination, and whether I am allowed to appear for any of the Special Tests according to Article 4 of the Special Test Examinations revised up to the 30th April 1911 under G.O. 88 A Educational page 315

of 16th May 1911 which similarly states that Special Tests Examinations shall be open from 1st April to all persons who are qualified under Article I of the Public Service notification for appointment to any post in Superior Service the sanctioned pay of which exceeds Rs. 20/- per mensem.

I have been educated up to the Matriculation examination of Madras University with Telugu as my optional language and mother tongue and have not attended any secondary school after the introduction of the Secondary School Leaving Certificate examination.

As the above two articles are not very distinct to me, I am much hesitating to apply for any appointment in Public Service which carries a pay of more than Rs. 20/- per mensem.

To make myself quite sure of them, I humbly approached your honor with this petition and respectfully pray your honor to be pleased to favour me with a reply, and for which act of kindness, I shall feel highly thankful.

I beg to remain,
Respected Sir,
Your most obedient servant,
G. Subramaniam Naidu,

The authority for the rule is gone to Sd/-

natives of India who have not attended

an education at least up to the standard

Matriculation examination. The petitioner
has, on the other hand, attended a Secondary
