Educational Department.

Sir,

With reference to ^{the} last sentence of paragraph 2 of G. O. No. 539 Educational, dated 4th August 1911, I have the honour to enquire whether orders for celebrations in schools apart from those embodied in G.O. No. 939 Public, dated 30th August 1911 (communicated in Endorsement No. 2153-1 Educational, dated 4th September 1911) are to be issued. As the Public Works Department will arrange for the illumination of only those buildings which ^{are} in its charge, arrangements for the illumination of private buildings occupied by Government Schools and of government buildings which are not under the charge of the Public Works Department have to be made by this Department. Orders are requested as to whether the cost of illuminations should be met from the contingencies of the institutions concerned or whether Government will make special grants-in-aid of this object as

C.No.2574, from the Director of Public Instruction, No.6277 dated 18-10-11.

Subject:

Illumination of school buildings &c. on
the Delhi Durbar Day.

K'

Please see paragraphs 6 to 8 of G.O.No.939 Public, dated 30th August 1911. Treats to school children, athletic sports and illumination of all Government buildings form part of the Durbar celebrations which Collectors have been requested to organize. The cost of treat to children and of the provision of athletic sports will be met from private subscriptions, but grants-in-aid will be given by Government towards the cost of illuminating all Government buildings. By Government buildings is apparently meant all buildings occupied by Government offices or institutions, whether rented or not, and not merely buildings owned by Government. If the above view is correct, the Director of Public Instruction will have only to communicate with the Collectors concerned for holding suitable celebrations in Government schools and colleges in the different parts of the Presidency. The Public Department may be consulted on the point.

The view taken by the Educational Dept on the previous page is correct and may be accepted. ~~Just apparently intended to hear only the cost of the medallions to be distributed to school children on Barber Day.~~
